II. DESCRIPTIONS OF FORMS

Brief descriptions of the forms contained in your U.S. Legal Forms™ Assignment of Lease Package are found below.

Assignment of Lease from Lessor with Notice of Assignment - This state-specific form is an assignment from an original landlord (lessor) to a new lessor of his or her rights in a rental property during the term of the lease assigned. This form also contains notice to the lessee or tenant of the assignment and a new address to which future rental payments should be sent.

Landlord Consent to Assignment of Lease - This multi-state form is used by a landlord to consent to a tenant assigning his or her leasehold interest in a lease agreement to a new tenant.

III. TIPS ON COMPLETING THE FORMS

The form(s) in this packet may contain “form fields” created using Microsoft Word or Adobe Acrobat (“.pdf” format). “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

It is also helpful to be able to see the location of the form fields. Go to the View menu, click on Toolbars, and then select Forms. This will open the Forms toolbar. Look for the button on the Forms toolbar that resembles a shaded letter “a”. Click this button and the form fields will be visible.

By clicking on the appropriate form field, you will be able to enter the needed information. In some instances, the form field and the line will disappear after information is entered. In other cases, it will not. The form was created to function in this manner.
