Re: Happy Father's Day – From Daughter

Dear :

Happy Father's Day! One day is not enough to show my appreciation for all that you have done as a father. You have been a wonderful father. I would not be who I am if it were not for your presence in my life. Whenever I think back on my life, you are there. Dad, I want to say thank you for teaching me how to drive (you hid your fear very well). I want to tell you thank you for bullying the dates I brought home (wonderful process for elimination). I want to say thanks for always making me believe that I could do anything (I can). There is not enough paper and ink in the world to express what you meant to me.

I just want to say thanks for being a wonderful father. Happy Father's Day.

Your loving daughter,

N A M E
