Re: Father's Day – From Son

Dear Dad:

Thank you for being such a wonderful father. If it were not for you being such a responsible man and example, I would probably be just a bum on the street. I will never forget the lessons that you taught me. Some lessons I choose to learn the hard way, though you told me the consequences. Yet, other lessons have had a profound effect on me. I will never forget the wisdom you have passed to me. For everything, I want to say thank you. The time, love, and work that you put into making me a man is much appreciated. I hope that I can become just as much of the man that you are.

May you have a wonderful father's day.

Your Son,

N A M E
