Re: Independence Day

Dear :

*When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.---***Excerpt from the Declaration of Independence**

And so began this great country. On July 4, 1776, the found fathers signed this document and the rest is not *history*, but reality.

I would like to wish you a Happy Independence Day. May you this great country and all the events that have made it.

Sincerely,

N A M E
