If any of the above was checked by you, please describe:

The following describes different foundations for lack of consent. Please check any that apply:

- Incapacity - You or your spouse did not know what was happening during the marriage ceremony because of insanity, mental illness, or a lack of consciousness. If checked, please describe:
- Grave Lack of Discretionary Judgment Concerning Essential Marital Rights and Duties - You or your spouse was affected by some serious circumstances or factors that made you unable to judge or evaluate either the decision to marry or the ability to create a true marital relationship. If checked, please describe:
- Incapacity to Assume Marital Obligations - You or your spouse, at the time of consent, was unable to fulfill the obligations of marriage because of a serious psychological disorder or other condition. If checked, please describe:
- Ignorance about the Nature of Marriage - You or your spouse did not know that marriage is a permanent relationship between a man and a woman involving sexual relations which may lead to offspring. If checked, please describe:
- Error of Person - You or your spouse intended to marry a specific individual other than the one who was actually married, such as a mail order bride. If checked, please describe:
- Error about an Essential Quality of Person - You or your spouse intended to marry someone who either possessed or did not possess a certain quality; e.g., social status, marital status, education, religion, health, or criminal record. If checked, please describe:
- Fraud – Intentional deception about personal qualities were used to obtain marital consent. If checked, please describe:
- Error Regarding Monogamy - You or your spouse married believing that marriage was not necessarily an exclusive relationship. If checked, please describe:

Error Regarding Marital Permanency - You or your spouse married believing that the state had the power to dissolve marriage and that remarriage was acceptable after civil divorce. If checked, please describe:

Error Regarding Marital Significance - You and your spouse married believing that marriage is not a religious or sacred relationship but merely a civil contract or arrangement. If checked, please describe:

Other Agendas as Motive for Marriage - The ceremony was observed solely as a means of obtaining something other than marriage itself; e.g., to obtain legal status in the country or to legitimize a child. If checked, please describe:

Intentional Disregard of Marital Permanence - You or your spouse married intending, either explicitly or implicitly, not to create a permanent relationship, retaining an option to divorce. If checked, please describe:

Future Condition Attached to Marriage- The decision to marry was conditional on meeting a future state of affairs; e.g., you will complete your education, your income will be at a certain level, you will remain in this area. If checked, please describe:

Past Condition Attached to Marriage - The decision to marry was conditional on meeting a past state of affairs; e.g., you completed your education, you were never married. If checked, please describe:

Present Condition Attached to Marriage - The decision to marry was conditional on meeting a present of affairs, which did not exist; e.g. you have no debt. If checked, please describe:

Force - You or your spouse married because of an external physical or moral force which your free will could not overcome. If checked, please describe:

Fear - You or your spouse chose to marry because of a fear created by an external force which could not be overcome. If checked, please describe:

Lacking of New Consent during Second Ceremony - After your civil marriage, you or your participated in a Catholic ceremony and you or your spouse believed that (1) you were already married, (2) that the Catholic ceremony was merely a blessing, and (3) that the consent given during the Catholic ceremony had no real effect. If checked, please describe:
