B. Procedure

- Step 1: You may partially complete the petition form (#123) but do NOT sign the form until you appear before the court. The top portion of the form must be filled out by inserting the district, the minor's present full legal name and the minor's town of residence. File the Petition in the Probate Court in the county in which you have been a resident and pay the appropriate fee. The entry fee is due when you come in to sign the petition.
- Step 2: If the minor is 14 years of age or older, the minor must also appear before the judge to sign the petition.
- Step 3: Part II of the Petition is for the consent of the non-petitioning parent when only one parent is going to appear before the judge to sign the petition.
- Step 4: A recently certified copy of the minor's birth record must also be filed with the petition. This birth record must be certified by the Town/City Clerk within the **past 6 months**.
- Step 5: After the petition is signed, the court will complete a notice to be published in a newspaper once a week for two successive weeks. **YOU ARE RESPONSIBLE FOR THE COSTS OF PUBLICATION.** If you would like an estimate, please call the newspaper.
- Step 6: It will be your responsibility to provide the court with proof of the publication of the notice. You may either ask the newspaper to provide you with an "affidavit of publication" or the tear sheets. You must mail this proof to the court.
- Step 7: When proof is received, the court will issue an order. You will receive two certified copies of the order. You may request additional certified copies at any other time. You

are now ready to notify appropriate persons and governmental agencies of the change.

Please telephone the court when you have the necessary documents to make an appointment to appear before the judge to sign the petition.

NOTE: ALL DOCUMENTS FILED WITH THE COURT REMAIN WITH THE COURT AND THESE DOCUMENTS WILL NOT BE RETURNED TO YOU.

NOTE ABOUT COMPLETING THE FORMS

The forms in this packet contain “form fields” created using Microsoft Word. “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

If you do not see the gray shaded form fields, go to the View menu, click on Toolbars, and then select Forms. This will open the forms toolbar. Look for the button on the forms toolbar that resembles a shaded letter “a”. Click in this button and the form fields will be visible.

The forms are locked which means that the content of the forms cannot be changed. You can only fill in the information in the fields.

If you need to make any changes in the body of the form, it is necessary for you “unlock” or “unprotect” the form. **IF YOU INTEND TO MAKE CHANGES TO THE CONTENT, DO SO BEFORE YOU BEGIN TO FILL IN THE FIELDS. IF YOU UNLOCK THE DOCUMENT AFTER YOU HAVE BEGUN TO COMPLETE THE FIELDS, WHEN YOU RELOCK, ALL INFORMATION YOU ENTERED WILL BE LOST.** To unlock click on “Tools” in the Menu bar and then selecting “unprotect document”. You may then be prompted to enter a password. If so, the password is “uslf”. That is uslf **in lower case letters without the quotation marks**. After you make the changes relock the document before you begin to complete the fields. After any required changes and re-protecting the document, click on the first form field and enter the required information. You will be able to navigate through the document from form field to form field using your tab key. Tab to a form field and insert your data. If problems, please let us know.
