

Current IT Issues

UPDATED: Class will cover the new FDIC IT examination procedures (InTREx) and the new Mobile Financial Services appendix in the FFIEC IT Examination Handbook

Two Course Offerings:

**August 2, 2016 & September 22, 2016 ■ 9:00am - 4:00pm
The Bankers Center ■ Baton Rouge, LA**

In today's world, technology impacts every single thing we do, especially in banking. There are no longer any bank products or services that do not have a technology component, and the internal technology banks utilize can impact performance and efficiency. Bankers must be aware of the current issues they face. This full day course will cover a wide variety of topics important to IT professionals in the industry. There will be ample time for participants to discuss current IT issues and learn more from the instructor and peers about implementing regulatory guidance and best practices in the industry as well as new technologies.

Workshop Topics

- Coverage of recent regulatory guidance
- Current threat landscape
- Competition in financial services
- New technologies for banking, digital currencies, their revolutionary underlying technology!
- New FDIC IT Exam Procedures (InTREx)
- New Mobile Financial Services Appendix in the FFIEC IT Examination Hand
