

LONG-TERM CARE INSURANCE INFORMATION & SEMINAR

All City employees are eligible to purchase long-term care insurance through MetLife. You can find out more about this program by calling (866)414-7076 or by visiting http://www.nyc.gov/html/olr/html/ltc/ltc_home.shtml.

You may also **call Rochelle Braunstein of Strategies For Wealth Creation and Protection at (212) 701-7946** for information on long-term care insurance policies, including those that are part of the NY State Partnership For Long-Term Care (which helps individuals preserve their assets), non-Partnership plans and the differences between those plans.

You can also attend an informational seminar presented by Ms. Braunstein on Thursday, September 30, 2010 from 6-9pm at the OSA office: 220 East 23rd Street, Suite 707, New York City (between 2nd and 3rd Avenues).

Braunstein holds an MA from Columbia University and is a Certified Senior Advisor, a member of the New York Association of Insurance and Financial Professionals and a financial representative of the Guardian Life Insurance Co. of America. She specializes in financial issues confronting those in “the second stage” of their financial lives – “protecting, conserving and enjoying assets in preparation for and during retirement.”

While this seminar is especially important to - retirees or those considering retirement, younger members may also be interested since long-term care insurance premiums are significantly lower if you start at a younger age.

Refreshments and registration begin at 5:30pm.
