# Home Reading Log for the week of \_\_\_\_\_

**Due Date :** \_\_\_\_\_

**Assignment:**

- 1) -- Read both of your library books and take AR tests on both of them before we return to the library next week.
  - As you finish each story, record your AR score and write a summary, beginning with an IVF topic sentence.
  - One summary will be done on the back of this page, and one will be written on our online Book Blog.
- 2) On Wednesday, take your reading textbook home and read this week's story. Use the space on the back of your Reading Log to make a fact outline and plan your IVF topic sentence for your Summary Test on Thursday.

**Note to parents:** If your child is absent on our library day or has not returned last week's library books, he/she will not be allowed to check out any books from the school library this week. In this case, please take your child to the public library, so he/she will still be able to complete this week's Reading Log assignment.
