

PRESIDENT'S UPDATE – August, 2016

I appreciate all the Clubs who send me their newsletters and I follow your Clubs' Facebook pages regularly. Your Clubs have been having a great summer with lots of fun events, like camping, picnics, biking, lake parties, happy hours and much more. It's great to see all the summer, off-season events to keep all of your members interested. Keep up the good work. Reminder too that if your Clubs have events, trips and anything else that will be of interest to the member Clubs in Crescent, and you would like us to include in the President's Update or on the CSC Facebook page, please send me the information and I'll try to make sure the word gets out. The best way to keep your members interested is to keep them active all year long!! Great job!!

RACING (Ron Scott)

The 2016/2017 Race Schedule dates are set. Listed below are the race dates and locations. Many of the Crescent clubs refer to the Race Schedule to plan their local and out-west ski trips to avoid any overlapping of the two.

DEC 17-28, 2016 Appalachian, NC
JAN 7-18, 2017 Sugar, NC
JAN 28-29, 2017 Wintergreen, VA
FEB 11-12, 2017 Beech, NC
FEB 25-26, 2017 Sugar, NC
MAR 10-12, 2017 SilverCreek, WV

All Crescent members are welcome to attend the races and root for their race team. Check the CSC website and the Racing Page to view the official CSC Racing Schedule. When you visit the CSC Racing web page, please check out the Racing Sponsors. I would hope all Crescent members would make every effort to support the sponsors who support CSC Racing. We do have a new sponsor, the DeBooter. If you are finding it harder to bend over to remove your ski boots, have a look at the DeBooter.

Crescent's Racing Program is comprised of young and "old" club members. We have seen our numbers increase due to more families becoming involved. If your club is searching for a way to increase your club's membership, advertise the CSC Racing Program -- the best club racing program in the nation.

MEMBER SERVICES (Ken Lumsden)

Tom Grayson, Crescent VP and Publicity Chair for Charlotte Ski & Snowboard Club, has taken over the S.K.I.B.U.M. Committee (Seeking Keen Ideas Boosting Up Membership). Tom will be heading up the Admin Workshop at the Fall Conference on Saturday morning. The workshop will be a round table discussion and we are requesting that each Club send a representative to the meeting and bring ideas as to what is

working for your Clubs. What works for one club may not work for another club but you never know unless you try.

The workshop is going to be a great opportunity for Tom and representatives of the Crescent Clubs to discuss ways to increase and retain Club members, promoting skiing in your areas (e.g. holding lesson clinics, running bus trips to local resorts (coordinating with Race Weekends when possible), scheduling some local trips, reaching out to local organizations such as your local YMCAs, Civic Clubs and others. And much more – it will be an open round table discussion!

The Admin. Workshop is scheduled from 8:30 AM until 11 AM on Saturday morning at the Fall Conference. The Trips and Racing Meetings are held at the same time, but please try to have a representative from your Club attend the Admin meeting. It will be a very informative meeting that will help the Clubs learn what is and isn't working for them, how to increase membership, get the word out on your Club in your area, and share ideas that will benefit all the Clubs!!

Reminder if you haven't already done so, go in and "like" the Crescent Facebook page, <https://www.facebook.com/CrescentSkiCouncil/>, and also the Crescent Racing Facebook page, <https://www.facebook.com/crescentskiracing/>. We update these regularly – let your members know these pages are out there!! And check the Crescent Ski Council website, <http://www.crescentskicouncil.org>. Sue Chadwick, CSC Webmaster, updates the site regularly. And also like the National Ski Council Federation page at, <https://www.facebook.com/National-Ski-Council-Federation-178192492206742/>. Lots of great information from resorts and ski industry news from all over the country is added on a regular basis.

NATIONAL SKI COUNCIL FEDERATION

The National Ski Council Federation ("NSCF") is made up of 30 ski councils with 640 ski clubs with more than 300,000 club members throughout the US. Crescent Ski Council is a founding member of NSCF. Lisa Beregi, Margaret Crum and I will be heading to Heavenly Ski Resort at Lake Tahoe this week for the NSCF Annual Summit Meeting. I'll pass post-trip report in next month's President's Update.

We all have a common interest in the enjoyment of snowsports. We all belong to ski clubs, who in turn belong to ski councils. If you've checked the NSCF website, www.skifederation.org, you already know that there are some **great benefits and discounts** with NSCF and more are being added regularly. Check out the NSCF website, www.skifederation.org site for member only benefits. The site allows you to search the benefits by category allowing you to find what you're looking for much faster. Please spread the word to your club members that these benefits are available and please take advantage of them.

LAST BUT NOT LEAST

Reminder, please distribute the President's Updates to your members, via email, your newsletters and/or by placing them on your Club's web site. If you received this update and are not the current officer, please forward to the appropriate person. Let's keep our members informed! If you don't publish a newsletter, direct your members to Crescent's website. The President's Updates are posted there each month. If your Club sends electronic newsletters and emails to your members, copy me!! I read every one I receive.

I've received an email from Robert Avsec of the Kanawha Ski Club regarding the Fall Conference. Kanawha is looking for a male and a female to share a room. There may be some other Clubs also in this situation. Contact Mary Anne Koltowich and she'll work on matching up roommates if necessary. Mary Anne can be reached at kolsmithma@gmail.com.

Help us keep the Club database up-to-date. We know a lot of Clubs have or will have had elections at this time of year so remember to send Bruce McMurray your Club's updated information for your current officers, board members, webmasters and newsletter editors. Include name, mailing address, phone numbers (home, work, mobile), email address and Board position(s). **Bruce's email address is snowdawgasoc@bellsouth.net.**

I'm happy to be serving again this year as Crescent President. Remember, we always need help and new volunteers bring lots of new suggestions!! Contact me for more information and send me your suggestions and recommendations!!

Have a wonderful Labor Day!! Ski/Ride season is less than 100 days away – THINK SNOW!!
