### A. CANCELLATION OF THIS CONTRACT

### B. HOW THIS CONTRACT MAY BE TRANSFERRED

The **Administrator** has the sole discretion to approve or reject such application. For example, some manufacturers require that the timing belt be changed or an oil change be performed at specific time and/or mileage intervals. **You** must follow the manufacturer's maintenance guidelines (including types and quality of products used in maintenance) to avoid denial of a claim and/or cancellation of this **Contract**. **You** must also follow the procedures described within this **Contract** under Section B. *WHAT TO DO IN THE EVENT OF A BREAKDOWN*.

The **Contract Holder** hereby authorizes the **Lienholder** to: (a) be listed as joint payee and receive any refund (as their interest may appear) in the event this **Contract** is canceled, and (b) cancel this **Contract** if the **Contract Holder** defaults on his/her obligations to such **Lienholder**. The **Contract Holder** shall subrogate all rights of recovery against any person or entity to the **Administrator**, and shall do whatever is necessary to secure such rights. The **Contract Holder** shall do nothing to prejudice these rights.

### B. WHAT TO DO IN THE EVENT OF A BREAKDOWN

In the event of a failure **You** must protect **Your Vehicle** from further damage. This may require **You** to stop the **Vehicle**, turn off the engine, and/or have the **Vehicle** towed. Damage resulting from continued operation of an impaired **Vehicle** will be considered negligence and will result in denial of claim coverage. (**You** may contact the **Administrator** for assistance in locating a **Repair Facility**).

**You** are required to authorize the **Repair Facility** to inspect and/or tear down **Your Vehicle** to determine the cause of the failure. **You** will be responsible for these charges if the failure is not covered under the terms of this **Contract**. If it is determined that the failure is covered, **We** will pay for the reasonable and customary cost of such teardown and/or diagnosis. **We** reserve the right to inspect **Your Vehicle** and service records prior to approving any repairs.

**You** must ensure the **Repair Facility** calls the **Administrator** at (800) 457-7703 prior to any work being performed on the **Vehicle**. The **Administrator** will ask the **Repair Facility** to supply the following information: a) **Contract Holder's** name, address and telephone number; b) Year, Make & Model of the **Vehicle**; c) **Vehicle Identification Number**, License plate number and current odometer mileage; d) Name, Address and Phone number of the **Repair Facility** and name of the Technician; e) A complete estimate of parts and labor time charges to repair the **Breakdown**. Authorization must be obtained from the **Administrator** prior to any repair.

If it is determined the failure is covered, the **Administrator** will confirm the cost of the repair and provide the **Repair Facility** with an authorization code. The repair cost that is approved by the **Administrator** is the maximum amount that will be paid for any **Covered Repairs** under the terms of this **Contract**. Any additional amount must receive prior approval from the **Administrator**. Payment will be made via direct billing, credit card, or reimbursement to **You**.

Once authorization is obtained and the repair has been completed, all repair orders and documentation must be signed by **You** and submitted to the **Administrator** within THIRTY (30) days from the date the repair to **Your Vehicle** was completed. All such documentation must show **Our** Claim Authorization Number and be submitted to: Dimension Service Corporation, 400 Metro Place North Suite 300 Dublin, Ohio 43017.

**You** are responsible for the payment of any applicable **Deductible** for each visit to the **Repair Facility**. If the **Breakdown** requires more than one visit to repair, only one **Deductible** applies to the original failure for which a claim was filed. Present a copy of this document to the **Repair Facility** prior to proceeding with repairs.

Any claims made after the expiration date or after the expiration mileage of this **Contract** will be denied without regard to the date of the failure.
