Parking Guidelines for Move Out

The following guidelines are in place to assist parents and students with parking for moving out of the resident facilities:

- Residence halls may have one-hour spaces reserved near the entrances for loading vehicles. A map is available showing these loading areas.
- Permits are available at no charge for the date the vehicle is loading. Please use reserved spaces for loading only. These permits are valid in the reserved loading spaces for one hour or in nearby permit spaces for two hours if reserved spaces are full. (Place the permit on the dashboard of the car.)
- Loading spaces are for loading/unloading only. If you need to take care of other campus business, please park in any main campus deck; display your dated permit on the dashboard of the car.

Please follow these guidelines to allow for space to be available to others moving out. If you need additional days of parking, please come to the Transportation office at 2721 Sullivan Drive to purchase a permit. Questions, please call (919) 515-3424.
