Credit decisions and the prevention of fraud	
We use credit reference and fraud prevention agencies to help us select suitable products and make decisions.	
If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies to prevent fraud and money laundering.	
Further details of how the information held by fraud prevention agencies may be used can be obtained by contacting us at Financial Crime Team, Credit Risk, Precise Mortgages, PO Box 6037, Wolverhampton, WV1 9QW.	
What we do, and how we and credit reference and fraud prevention agencies use customer information, is detailed in our booklet called ' A Guide to the use of your personal and business data and Credit Reference and Fraud Prevention Agencies ' (This includes details of The Credit Reference and Fraud Prevention Agencies that we use). By proceeding you confirm that you have supplied your client(s) with a copy of this booklet and have their consent to the disclosure and use of their personal information in this way.	
We will perform a 'soft footprint' check, rather than a full credit check, to enable you to produce a quotation so it won't harm their credit rating. When the enquiry moves to application stage, we will leave a credit application record ('hard footprint') on your client's credit file. Please tick the box to confirm that you have consent from your client(s) for credit searches to be conducted and that you have informed them of the consequences.	
The details entered must be accurate and true to the best of your knowledge. If we suspect your involvement in fraudulent activity we will take appropriate action against you.	
I have obtained the applicant(s) consent to proceed with the credit searches described above and informed them of the consequences. <input type="checkbox"/>
