

October 21, 2014

The Lincoln County Purchasing Office is issuing Addendum Number One (1) to the following Request for Bid for:

RFQ 2014-1030 Architectural Services for Courthouse Roof

This addendum is being issued to answer questions and make clarifications to the specifications as listed:

1. Although the RFQ is advertising for "Architectural" services, would it be acceptable for an Engineering firm that specializes in roofing and waterproofing to submit?

Answer: Yes

2. Can we visit the site prior to the submittal deadline to observe the conditions and review the scope of work (e.g. low-slope roofing, steep slope roofing, radio tower removal, etc.)?

Answer: No. Site visits will be scheduled for the firm that is chosen.

The changes listed above will be effective upon receipt of this addendum. This page must be signed and returned with your bid.
