Awards Ceremony

Jobs for Virginia Graduates (JVG) is incorporated as a statewide nonprofit 501(c)3 organization with the mission to assist at-risk and disadvantaged students to stay in school, to graduate, and to find and keep quality jobs.

Each October JVG hosts Student Leadership Conferences in Richmond and in Roanoke. The purpose of the events is to emphasize to our JVG students that even though they have been labeled "at-risk", they can become leaders. State officers are elected and JVG funds their attendance to the Jobs for America's Graduates National Student Leadership Academy held in D.C. in November. We want our JVG students to leave the conference knowing we (the Specialists, Board Members, and business representatives) are there to assist and to encourage them as they seek their career and higher education goals. For many of our students this is the first experience they have had outside their hometown environments.
