Concrete Field Testing Technician Grade I Certification

Purpose

This program has been developed for the purpose of certifying concrete technicians who have demonstrated the knowledge and ability to properly perform the basic field tests on freshly mixed concrete.

This program is intended as a review in preparation for certification testing. ***It is not for instructional purposes.***

Test Procedures

ASTM test procedures covered include:

- ASTM C 138 - Test Method for Density, Yield, and Air Content(Gravimetric) of Concrete
- ASTM C 143 - Slump of Hydraulic Cement Concrete
- ASTM C 31 - Making and Curing Concrete Test Specimens in the Field
- ASTM C 172 - Sampling of Fresh Concrete
- ASTM C 1064 - Temperature of Freshly Mixed Portland Cement Concrete
- ASTM C 173 - Air Content of Concrete by the Volumetric Method
- ASTM C 231 - Air Content of Concrete by the Pressure Method

How to Prepare For Your Exam

Be sure to review the entire ACI workbook and complete all study questions at the end of each chapter.

Our examiners suggest that you should read and review each section including the review questions, 2 to 3 times before the exam.

Attendees should have a working knowledge of, ***and experience with***, all of the testing methods that will be covered. Practicing these proficiencies prior to performance examination is strongly suggested.

Please note that, while ACI has provided all measurements and calculations in both standard US and metric versions, you need only to study the standard US format.

What to Bring

You should bring the following materials to class:

(Please be sure to review the confirmation letter you will receive with your workbook for items specific to your exam location per that instructor's preferences.)

- Drivers license or photo ID (must be presented at the time you check in at the testing facility)
- Certification practice test (completed)
- ACI Concrete Field Testing Technician - Grade I Workbook
- Two #2 pencils
- One simple function calculator (The use of programmable calculators during exams is prohibited)
- Notebook or note paper
- Cell phones/Smartphones must be turned off and not accessible for the duration of the exam

For practice/performance session, participants should bring:

- Safety glasses
- Hard hat
- Gloves
- Boots (preferably steel toes)

Certification Policies / Information

Per the American Concrete Institute (ACI), certification is unique to the individual who participates in, and passes, both the written and performance exam - ***REGARDLESS OF WHO PAYS FOR THE EXAM.***

The certification number assigned and certification card distributed belong ***SOLELY*** to the individual who presents their photo ID, upon their successful passing of both exams. A company or other individual may not claim this certification in any way.

To verify a certification, visit:

[http://www.concrete.org/Certification/VerifyACertification.aspx?
d=Ask](http://www.concrete.org/Certification/VerifyACertification.aspx?d=Ask)

Answers to the following questions are available on ACI's website:
<http://www.concrete.org/Certification/CertificationFAQs.aspx>

- Replacing a lost/damaged certification card
- What to do if a certification card has not been received

- Are you certified? - refer to the link mentioned on previous page
- Length of time it will take to receive exam results
- What to do if you fail either the written and/or the performance exam
- Information on your ID number
- Your certification expiration date

For more information, contact the American Concrete Institute at (248) 848-3790.

Pennsylvania Aggregates and Concrete Association

Information & Policies

Registration Information

- Use one registration form per person. Form may be duplicated for additional registrants.
- **It is highly recommended to register as EARLY as possible. Exam seating is limited and locations fill up quickly.**
- Space in an exam location is not guaranteed until full payment is received. Upon receipt of full payment, exam study materials will be sent to registrant.
- Registrants with a disability or requiring special accommodations should email Kallie Kline at kallie@pacaweb.org to request assistance at least one week prior to exam date.
- Keep a copy of this registration form for your records.
- To register, fax/email (with credit card information) or mail check payable to "PACA".
- We apologize, but PACA does not accept American Express - **Visa, MC, or Discover only.**
- PACA reserves the right to charge appropriate registration fees based on membership status and/or date of registration receipt.

Attendee Policies

- We reserve the right to dismiss any registrant for disruptive behavior toward the instructor and/or other participants. Registrants dismissed for disruptive behavior are not eligible

- 4 for a refund of their registration fee and will be reported to their employer.
- The registrant of this certification voluntarily assumes the risk of injury to themselves which may result from the training, testing or demonstration and releases and discharges PACA, the facility providing the training, testing or demonstration site and the provider of the training, testing or demonstration from all claims or liability by participant resulting therefrom.
