

# IMPORTANT SAFETY RECALL

December 2014

This notice applies to your vehicle, **VIN:** \_\_\_\_\_.

Dear General Motors Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2008-2010 model year Chevrolet Malibu and Pontiac G6, and 2007-2010 model year Saturn AURA vehicles, equipped with a 4-speed automatic transmission, also 2005-2008 model year Pontiac G6 and 2007-2008 model year Saturn AURA vehicles that are equipped with a 4-speed automatic transmission and were built or serviced with a suspect replacement shift cable. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

## **IMPORTANT**

- Your vehicle is involved in safety recall 12106.
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.

General Motors recently discovered a data system issue which may have caused some current owners of vehicles -- that were originally purchased by fleet buyers in the U.S. and Canada -- to not receive certain recall communications from GM. This issue may have prevented prior letters concerning this recall from reaching you, which is why you are receiving this letter. We have corrected our data system and apologize for any delay in providing this letter to you.

In cooperation with the National Highway Traffic Safety Administration (NHTSA) we recommend that you check your vehicle identification number periodically at the GM recall website (<https://recalls.gm.com>) or at NHTSA's website (<https://vinrcl.safercar.gov/vin/>), where you can find the most up-to-date recall information for your vehicle.

### **Why is your vehicle being recalled?**

Your vehicle was serviced with a transmission shift cable that has end fitting tabs that may fracture and separate. If the tabs were to separate, the shift lever and the actual position of the transmission gear may not match. With this condition, you would be able to move the shifter to PARK and remove the ignition key, but the transmission gear may not be in PARK. You may not be able to restart the vehicle and the vehicle could roll away after you have exited the vehicle, resulting in a possible crash without prior warning.

**What will we do?**

Your GM dealer will install a retainer over the transmission shift cable end fitting. If the end fitting tabs are fractured, the shift cable will be replaced. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of approximately 20 minutes to 1 hour and 40 minutes, depending on the service required.

**What should you do?**

You should contact your GM dealer to arrange a service appointment as soon as possible.

**Did you already pay for this repair?**

If you have paid for repairs for the recall condition, please complete the enclosed form and present it to your dealer with all required documents. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed form and all required documents to GM Customer Assistance Center, Box 33170, Detroit, MI 48232-5170. The completed form and required documents must be presented to your dealer or received by the GM Customer Assistance Center by December 31, 2015, unless state law specifies a longer reimbursement period. Even though you may have already had this condition corrected, you will still need to take your vehicle to your dealer for additional repairs.

**Do you have questions?**

If you have questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.

Division	Number	Text Telephones (TTY)
Chevrolet	1-800-222-1020	1-800-833-2438
Pontiac	1-800-762-2737	1-800-833-7668
Saturn	1-800-553-6000	1-800-833-6000
Guam	65-6267-1752	
Puerto Rico – English	1-800-496-9992	
Puerto Rico – Español	1-800-496-9993	
Virgin Islands	1-800-496-9994	

If after contacting your dealer and the Customer Assistance Center, you are still not satisfied we have done our best to remedy this condition without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1.888.327.4236 (TTY 1.800.424.9153), or go to <http://www.safercar.gov>. The National Highway Traffic Safety Administration Campaign ID Number for this recall is 12V460.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
