

HUSD Early Childhood Programs

OUR VISION

The Higley Unified School District prides itself on providing quality educational experiences. We feel that enriched early childhood environments not only provide extraordinary opportunities for young children but also form the foundation for a successful educational career. We have designed our *Brilliant Beginnings* Program for three and four year olds and our *Kindergarten Prep* program for four and five year olds who will attend Kindergarten the following school year to provide a loving, safe, and nurturing child-centered educational experience. The goal of our Early Childhood Development Center programs is to bring teachers, parents and community together with a common vision to enhance the lives of children and their families.

Connect Engage Inspire

Master educators will guide your child in learning new skills, help your child develop a sense of belonging and foster a love of learning and celebration of life each and every day. The curriculum will provide a foundation for inquiry and will challenge each individual student. We are committed to providing meaningful and developmentally appropriate educational experiences for your child's intellectual, social, emotional, creative and physical development. We limit our class sizes to maintain the Arizona student/teacher ratio. We feel that maintaining this ratio is essential in order to enable our early childhood certified teacher to provide students with more individualized and quality instruction on a daily basis.

STAFF QUALIFICATIONS

All *Brilliant Beginnings* and *Kindergarten Prep* teachers are highly qualified, early childhood certified teachers. Instructional aides are selected for their depth of educational training and the quality of prior experiences. Teachers and aides participate in continued formal training each year as well as ongoing professional development opportunities in the areas of classroom management, discipline and child psychology.

Dear Parent(s)/Guardian(s)

We would like to provide you with important information regarding our school health offices. This information allows us to provide consistency in the care of your children.

- **Fever/Temperature:** Please keep your child home if they have a temperature of 100 degrees or higher. They may return to school after being fever-free for at least 24 hours without the use of medications.
- **Vomiting and/or Diarrhea:** Please keep your child home until symptom free for at least 24 hours. Your child must be able to consume his/her regular diet without any problems.
- **Pink eye:** Your child may return to school after a full 24 hours of antibiotic treatment.
- **Strep throat:** Your child may return to school after a full 24 hours of antibiotic treatment and is fever-free.
- **Medications:** Do not send your child to school with medication of any type. All medications must be checked in through the health office. Prescription medication must have a pharmacy label and the medicine cannot be past the expiration date. Over-the-counter medications must be in their original container. A consent form must be completed for ALL medications. We are a drug free campus and students are not allowed to carry any medications, which includes cough drops.
- **HUSD Lice policy:** We have a nit-free policy. If your child contracts lice please do not send them to school until they have been treated and ALL the lice and nits are removed from the hair. Please report this condition to the health office. Your child will be examined for lice and/or nits privately in the health office prior to returning to class.
- **Immunizations:** All students must be up to date on their immunizations to attend school per state laws A.R.S. 15-871-874. If you have questions regarding requirements for your child's age and/or grade level, please contact your school's health office. They can also provide you with information on free immunization clinics.
- **Passes:** Our goal and highest priority is to take care of your child's health needs and help ensure their safety. With this in mind, school policy is that all students must come to the health office with a pass from their instructor. If a student is sent without a pass they will be sent back to class to get one. The only exception is in the event of an emergency situation. This policy allows staff to know where your child is at all times and provides for your child's safety.

Thank you,
Health Services

Arizona Immunization Requirements for Birth to 5 Years Childcare, Preschool and Kindergarten in 2014-2015

Because children who attend child care are at greater risk of exposure to illness, Arizona state law requires that some immunizations be completed at the beginning of the age range listed on the recommended immunization schedule found at <http://www.cdc.gov/vaccines/recs/schedules>. Exceptions, minimum intervals and a "catch up" schedule are on the back of this handout. Updates to these requirements will be posted at <http://www.azdhs.gov/phs/immun/back2school.htm>.

At birth	Hep B #1 Note: Hep B #1 is the only shot babies under 2 months must have for childcare.			
Required at 2 months	DTaP #1	Polio #1	Hib #1	
Required at 4 months	DTaP #2	Polio #2	Hib #2	Hep B #2
Required at 6 months	DTaP #3	Hib #3 If Pedvax Hib or Comvax is used, the 3rd dose of Hib is not due until 12-15 months of age.		
Required at 12 months	Polio #3	Hep B #3 If Hep B #3 was given before 24 weeks of age, a 4th dose is needed.	MMR #1 Note: MMR and Varicella must be given on the same day or at least 28 days apart.	Varicella ¹ #1 (Chicken Pox Vaccine) Note: MMR and Varicella must be given on the same day or at least 28 days apart.
Required at 15 months	DTaP #4	Hib #4 (Booster) Hib #4 is not needed if Hib #3 is given at/after 12 months of age. A Hib dose at/after 12 months is required for all children under 5 years. One Hib dose given at/after 15 months of age meets the Hib requirement regardless of the total number of Hib doses received.		
Summary of vaccines required for all children 15 -24 months of age	All of these doses are required as of 15 months of age: 4 DTaP, 3 Polio, 1 MMR, 1 Varicella ¹ , 3 Hep B and 3-4 Hib (with 3 rd or 4 th dose on/after 1st birthday) or 1 Hib dose given at/after 15 months. Kindergarten Entry	At <u>kindergarten entry</u> must have 5 DTaP*, 4 Polio*, 2 MMR, 1 Varicella ¹ & 3 Hep B. (Hepatitis A is not required for kindergarten.) *Children who received DTaP #4 and/or Polio #3 on/after the 4th birthday do not need additional doses to enter kindergarten.			

¹ Parental recall of chicken pox disease is accepted only for children who enrolled in childcare before 9/1/2011.

Exceptions and Additions To The Rules

Parents whose religious beliefs do not allow immunization must sign a religious exemption form. A medical exemption form must be signed by the child's doctor if there is lab evidence of immunity or a medical reason why the child cannot receive shots. A copy of the lab results must be kept on file to prove the child's immunity.

- A child who is missing shots required for his age can start childcare but must get a dose of each shot due within 15 days of enrollment *and* bring a copy of the shot record completed by the clinic to the child care setting. *After 15 days, the child may not attend without documentation of these shots.*
- CATCH UP SCHEDULE for children missing immunizations:

DTaP: The 2nd dose is due 1-2 months after the 1st dose; the 3rd dose is due 1-2 months after the 2nd dose; the 4th dose is due 6 months after the 3rd dose.

Polio: The 2nd dose is due 1-2 months after the 1st dose; the 3rd dose is due 1-2 months after the 2nd dose. (If the child is 4+ years of age, the 3rd Polio may qualify as the child's final dose and a 6-month space is recommended between the last two Polio doses.)

Hep B: The 2nd dose is due 1-2 months after the 1st dose; the 3rd dose is due 3-4 months after the 2nd dose. If Hep B #3 was given before 24 weeks of age, a 4th dose is needed.

Hib: If child is less than 1 year, doses are given 2 months apart. If child is at least 15 months old and less than 5 years, a single dose is needed to catch up.

MMR*: The 1st dose is required at 12 months of age. A 2nd dose is required for kindergarten entry.

Varicella*: The 1st dose is required at 12 months of age. **Parental recall of chicken pox disease is accepted only for children who enrolled before 9/1/2011. All other children must have proof of immunization, or a valid exemption for lab evidence of immunity, medical reasons or religious beliefs.**

Hep A: Children 1 through 5 years of age in Maricopa County only are required to obtain dose #1 within 15 days of enrollment in child care, preschool or Head Start. Dose #2 is due 6 months after dose #1.

- Children who are missing required shots must stay on the above "catch up" schedule to attend childcare. A 15-day notice must be given to parents whose children fall behind. If they do not provide proof of shots after 15 days, the child must be excluded from care until proof is given.
- What **proof of immunization** is needed? Copies of shot records signed or stamped by the health care provider, and/or records from the Arizona State Immunization Information System (ASIIS) must be kept on file at the childcare facility.

*Important note: MMR and Varicella may be given on the same day. If they are not given on the same day, they must be separated by at least 28 days.
