[2]Credit Card Security Code

For your security, we require your credit card's security code. This greatly improves the security of using your credit card online.

If you are using a **Visa, MasterCard or Discover**, please provide the 3-digit verification number found on the back of your card.

This is a non-embossed number printed on the signature panel on the back, immediately following the account number.

The card security code for your American Express card is a four-digit number located on the front of your credit card, to the right or left above your main credit card number.

This code is a 4-digit, non-embossed number

Revised August 2010
