Note: Students should be aware that these are the requirements for the General Management major only. Students may choose to complete a different Management major in the Post-Diploma (25-course) program. If students choose a different Management major, they may be required to extend their programs beyond 25 courses. For example, students who choose the International Management major are required to complete a Language minor and are required to take 30 courses in order to meet degree requirements.

About Management Minors

The Faculty of Management offers minors in First Nations Governance, Information Systems, International Management, New Media, Social Responsibility, and Supply Chain Management. In some cases, achievement of the minor and a chosen major will require a student to take extra courses. Students may not declare a minor in the same subject as their major. For students who complete all the requirements, the minor will be acknowledged on the official transcript (see Part 11 - Faculty of Management, Section 12, in the 2011/2012 UofL Calendar).

Duplicated Courses

Students who are admitted to the Post-Diploma Bachelor of Management program cannot receive credit for courses at the University of Lethbridge for which they have equivalent credit in their diplomas. For example, a student with a business diploma who has completed a transferable marketing course in the diploma cannot take Management 3020 - Marketing at the University of Lethbridge for credit. Substitute courses will be assigned by the Faculty of Management to replace any courses for which they have equivalent credit. Substitute courses must be approved by the Faculty of Management. Diploma courses that satisfy Core Requirements must have a minimum grade requirement of 'C-'. Students are strongly encouraged to consult with an academic advisor if they have questions.

Campuses

The Faculty of Management offers programs on three campuses: Calgary, Edmonton, and Lethbridge. On the Lethbridge campus, students can pursue all programs and majors offered by the Faculty of Management. The Calgary and Edmonton campuses serve adult learners who may be in the work force wanting to further their education. These campuses offer the B.Mgt., Post-Diploma B.Mgt., second degree in Management, the PDA, and other Management Certificates. Combined Degrees programs (B.A./B.Mgt., B.Sc./B.Mgt., B.Mgt./B.Ed., and Post-Diploma B.Mgt./B.Ed.) cannot be completed in their entirety on the Calgary or Edmonton campuses, and all Combined Degrees applicants will be assigned to the Lethbridge campus (see Part 11 - Faculty of Management, Section 4, in the 2011/2012 UofL Calendar). The following majors may be completed on the Calgary and Edmonton campuses: Accounting, Finance, General Management, Human Resource Management and Labour Relations, International Management, and Marketing.
