If students choose a different Management major, they may be required to extend their programs beyond 25 courses. For example, students who choose the International Management major are required to complete a Language minor and are required to take 30 courses in order to meet degree requirements.

Management Minors

The Faculty of Management offers minors in First Nations' Governance, Information Systems*, International Management, New Media, Population Health, Social Responsibility, and Supply Chain Management. In some cases, achievement of the minor and a chosen major will require a student to take extra courses. Students may not declare a minor in the same subject as their major. For students who complete all the requirements, the minor will be acknowledged on the official transcript (see Part 11 - Faculty of Management in the UofL Calendar or the Minor Program Planning Guides available online at www.uleth.ca/ross/program-planning).

**The major and minor in Information Systems for Management programs has been suspended, beginning May 1, 2013.*

Duplicated Courses

Students who are admitted to the Post-Diploma Bachelor of Management program cannot receive credit for courses at the University of Lethbridge for which they have equivalent credit in their diplomas. For example, a student with a business diploma who has completed a transferable marketing course in the diploma cannot take Management 2020 - Marketing at the University of Lethbridge for credit. Substitute courses will be assigned by the Faculty of Management to replace any courses for which they have equivalent credit. Substitute courses must be approved by the Faculty of Management. Diploma courses that satisfy Core Requirements must have a minimum grade requirement of 'C-'. Students are strongly encouraged to consult with an academic advisor if they have questions.

Campuses

The Faculty of Management offers programs on three campuses: Calgary, Edmonton, and Lethbridge. On the Lethbridge campus, students can pursue all programs and majors offered by the Faculty of Management. The Calgary and Edmonton campuses serve adult learners who may be in the work force wanting to further their education. These campuses offer the B.Mgt., Post-Diploma B.Mgt., second degree in Management, the Professional Diploma in Accounting, and other Management Certificates. The following majors are offered on the Calgary Campus: Accounting, Finance, General Management, Human Resource Management and Labour Relations, and Marketing. Students who wish to complete International Management on the Calgary Campus may require alternate arrangements to complete the requirements for this major. The Edmonton Campus offers the General Management major and the Professional Diploma in Accounting program.
