**Update for General Industry
Outreach Trainers
(OSHA #503)
August 3-5, 2016 - SLC, UT**

This course is designed for Outreach Training Program trainers who have completed course #501 Trainer Course in Occupational Safety and Health Standards for General Industry and who are authorized trainers in the OSHA Outreach Training Program. The course provides an update on OSHA General Industry Standards, policies, and regulations. Upon course completion students will have the ability to demonstrate continued professional development in their field by applying effective adult learning principles and interactive training techniques to clearly identify, define, and explain general industry hazards and acceptable corrective measures as they continue to teach the 10- and 30-hour General Industry Outreach Training Program classes.

An optional exam will be administered at the end of the course.

To attend, students must provide a copy of their current trainer card for validation.

Cost: \$650

**OSHA Standards for General
Industry (OSHA #511)
August 16-19, 2016 - SLC, UT**

This course covers OSHA Standards, policies, and procedures in general industry. Topics include scope and application of the OSHA General Industry Standards, general industry principles and special emphasis on those areas in general industry which are most hazardous. Upon course completion students will have the ability to define general industry terms found in the OSHA General Industry Standards, identify hazards which occur in general industry, locate and determine appropriate OSHA General Industry Standards, policies, and procedures, and describe the use of OSHA General Industry Standards and regulations to supplement an ongoing safety and health program.

Cost: \$675 (SLC, UT)

**Trainer Course in OSHA Standards
for General Industry (OSHA #501)
July 26-29, 2016 - Williston, ND
August 23-26, 2016 - SLC, UT**

This course is designed for individuals interested in teaching the 10 and 30-hour general industry safety and health Outreach training program to their employees and other interested groups. Using the OSHA General Industry Standards as a guide, special emphasis is placed on those topics required in the 10- and 30-hour programs as well as those which are most hazardous. Students are briefed on effective instructional approaches and use of visual aids and handouts. This course allows the student to become a trainer in the OSHA Outreach Training Program, to conduct both 10- and 30-hour General Industry Outreach classes, and to issue cards to participants after verifying course completion. **Students who wish to participate as authorized trainers in the OSHA Outreach Training Program must prepare a presentation on an assigned OSHA General Industry Outreach Training Program topic individually or as part of a group and successfully pass a written exam at the end of the course. Please bring a flash drive or laptop, if possible, for your presentation.**

Prerequisites: Students must successfully complete the OSHA #511 Occupational Safety and Health Standards for General Industry and have five (5) years of safety and health work experience in general industry. A degree in occupational safety and health, a Certified Safety Professional (CSP) or a Certified Industrial Hygienist (CIH) designation may be substituted for two (2) years of work related experience. Students should obtain guidance on whether they meet this requirement from the OSHA Training Institute Education Center where they intend to receive the training. Authorized OSHA General Industry Outreach Training Program trainers are required to attend OSHA #503 Update for General Industry Outreach Trainers at least once every four (4) years to maintain their trainer status.

To determine if you meet these eligibility requirements, please visit <http://medicine.utah.edu/mountain-west-osha/index.php>. Look for Verification Form and download the document.

Cost: \$700 (SLC, UT)
\$795 (Williston, ND)

GENERAL INFORMATION

REGISTRATION

In Salt Lake City, the Mountain West OSHA Education Center is offering the OSHA 503 for \$650, the OSHA 511 for \$675, and the OSHA 501 for \$700. The Williston, ND 501 course is \$795. Tuition includes course materials (including a copy of the pertinent regulations), coffee breaks, and course credits. Payment IN FULL must be received prior to the start of the course.

4 Easy Ways to Register

TELEPHONE (801-581-4055) your registration, followed by payment or purchase order within two weeks.

ONLINE registration (<https://umarket.utah.edu/um2/rmcoeh>) is available; payment must follow within two weeks.

FAX (801-585-5275) your completed registration form, followed by payment or purchase order within two weeks.

MAIL completed registration form with check or company purchase order to the address on the registration form. You are considered registered when full payment or a purchase order has been received. If you expect payment delays, send completed registration form now and your payment within two weeks.

Disability accommodations require advance notice at time of registration or you may contact the Program Coordinator at (801) 581-4055 prior to the course.

Registrations should not be considered confirmed until a written confirmation letter is received by the course participant. Confirmation letters are mailed within 5 working days of receipt of registration form.

If you have further questions or need assistance, please contact Registration Coordinator, RM-COE, 391 Chipeta Way, Suite C, University of Utah, Salt Lake City, Utah 84108, (801) 581-4055 (Fax: 801-585-5275).

CANCELLATION/SUBSTITUTION POLICY

If you are unable to attend, a substitution can be made at any time without charge. Refunds, less a \$50 administrative fee, can be issued on request for all cancellations except those postmarked or faxed within 10 business days of the course, for which no refunds or credit will be given. The University reserves the right to cancel programs if necessary. In this event, the University's liability is limited to the full refund of your registration fee.

CREDITS

All courses will be awarded Continuing Education Units (CEUs), the national standard for recognition of non-university professional education. Courses are eligible for ABIH CM points.
