TENNESSEE HOSPITAL ASSOCIATION

Be a *Friend*.

For more than 20 years, THA's political action committee, *Friends of THA*, has supported legislators who are sensitive to issues impacting hospitals and their patients in Tennessee.

2016 is an election year in which we will elect 99 members of the Tennessee House of Representatives and half of the state Senate. With this in mind, it is more important than ever for us to have friends who will help us reach our 2016 fundraising goal of **\$125,000**.

*Friends of THA* allows hospitals across the state to have a singular, powerful voice on Capitol Hill, which improves our ability to develop meaningful working relationships with legislators and increases our chances for success.

Good friends take care of their neighbors, hospitals and communities. Be a friend and contribute to *Friends of THA* today.
