

Credit Application Form

DECLARATION

I confirm that I am a registered student with The Chartered Institute of Taxation, and my student registration number is _____

I would like to apply for a credit, as noted overleaf. I have included documentary evidence (photocopies are sufficient) and the relevant fee (candidates seeking a credit for their ATT qualification do not need to include evidence of this as it can be verified internally).

I understand that the credit application fee is NON-REFUNDABLE (unless the application is unsuccessful) and is payable in addition to the registration fee and the entry fee for the examination.

I am aware that submission of this form does not constitute entry to the CTA examination, which requires a separate application form and fee.
