

Journey to India

Dear Friends,

Please take the time to send in your feedback about Journey to India. Because this material is web based, it can be changed and expanded. This fact makes your suggestions and ideas extremely important.

Journey to India will remain on the Kid to Kids website and each year an additional VBS program, focusing on a different country where Global Ministries mission projects are located, will be added.

This material development is a cooperative effort of Disciples Home Missions of the Christian Church (Disciples of Christ) in the United States and Canada, Local Church Ministries of the United Church of Christ, and Global Ministries.

Thank you.
