Dear Parent/Guardian of _____

Fairfax County Public Schools (FCPS) is proud to inform you of a summer program designed for students who have demonstrated the need for extended learning time to reach their full academic potential. The program will focus on language arts, mathematics, and developing skills and strategies in preparation for the next school year. We believe your child would benefit from participation in this program.

The Summer Extended Learning Time (SELT) program will begin on July 13, 2015, and end on July 31, 2015, and meet four hours daily, Monday through Friday from 7:30 a.m. to 11:30 a.m. The program will be held at South County Middle School. There is no tuition or fee for this program and bus transportation will be available using modified neighborhood stops. More information about the daily program and transportation will be provided in June.

Please complete the bottom portion of this letter to indicate your commitment to your child's participation. If your child will be participating, the attached registration form will also need to be completed and returned. We hope that your child will be able to take advantage of this wonderful opportunity!

For additional information, please contact your child's teacher or school counselor. You may also contact Mr. Stokes at South County Middle at (703) 690-5500 or gkstokes@fcps.edu.

Sincerely,

Marsha Manning
Principal, South County Middle School

Summer Extended Learning Time Program

Please check the appropriate response and return to the SCMS Main Office by **June 8th**.

_____ My child will participate in the SELT program. I have also completed the registration form. I understand the expectation is for my child to attend the entire program.

_____ My child will not participate in the SELT program.
