

Badger Childhood Cancer Network's mission is to educate, support, serve and advocate for children with cancer, their families, survivors of childhood cancer and the professionals who care for them. We serve kids and teens with informational materials, distractions and comfort items at diagnosis, hosting monthly support groups and family social events and facilitating the popular Hero Bead and Ashley's Med Kit programs. We provide financial and transportation assistance (rent/mortgage, groceries, utilities, phone, car repairs, gas) to families in need who have a child on acute treatment.

The 2013 Badger Childhood Cancer Network Bass Invitational is a fund raising event to support families of children treated for cancer in south-central WI. Badger Childhood Cancer Network is a 501(c)3 organization as determined by the Internal Revenue Service, Federal Tax ID 57-1151037. Donations are tax-deductible to the full extent allowed by law.

Note from a childhood cancer family:

"I would like to thank you for the (assistance) to help us out while going through a hell which no one should ever have to endure. Badger Childhood Cancer Network is a bright beacon of hope in the dark fog of cancer. Your help put a smile on my children's faces. It meant extra groceries, school clothes for 3 kids and medicine for my daughter . . . We as a family celebrate the small victories in life that we previously took for granted or overlooked. Your help was definitely celebrated so much. The work that you do does impact lives in such a positive way it's almost indescribable. We thank you and everyone who helps so much."
