

# Sacred Heart of Jesus School

## Parental/Legal Guardian Media Consent Form

### 2013-2014

Sacred Heart of Jesus School students are photographed, videotaped and interviewed by members of our staff and media representatives for advertising purposes or for publicizing events, activities, programs and facilities for the school. This information may be used in newsletters, newspapers, websites, Facebook, other publications, television, radio and other communications and advertising media. Also, student work may be photographed or videotaped for sharing with the public through newsletters, newspapers, websites, Facebook, You Tube, other publications, television, radio and other communications and advertising media.

News media representatives may visit our campus to cover events at Sacred Heart of Jesus School. When this happens, SHS students and/or their work may be photographed, identified, videotaped and/or interviewed for the story.
