Hinsdale FFA in the Running for T-Shirt Design Contest

Your vote is appreciated!

Hinsdale's own Chadaya Christensen submitted a design for the National FFA T-shirt design contest, never dreaming that hers would be one of only 12 to be chosen as a finalist.

FFA members or chapters could submit up to five designs on any style t-shirt. Chadaya's design featured a red barn with the words *"You say 'Raised in a Barn' Like It's a Bad Thing"*.

The public is encouraged to vote on their favorite design (Chadaya's, of course!!) through their facebook and twitter accounts. If you don't have one of these accounts, sign up for one just long enough to vote. Voting is open between March 14th and 7 am March 21, 2011 and you can only vote once.

"As of Thursday Chadaya's design was in third place," Roubie Younkin informed us.

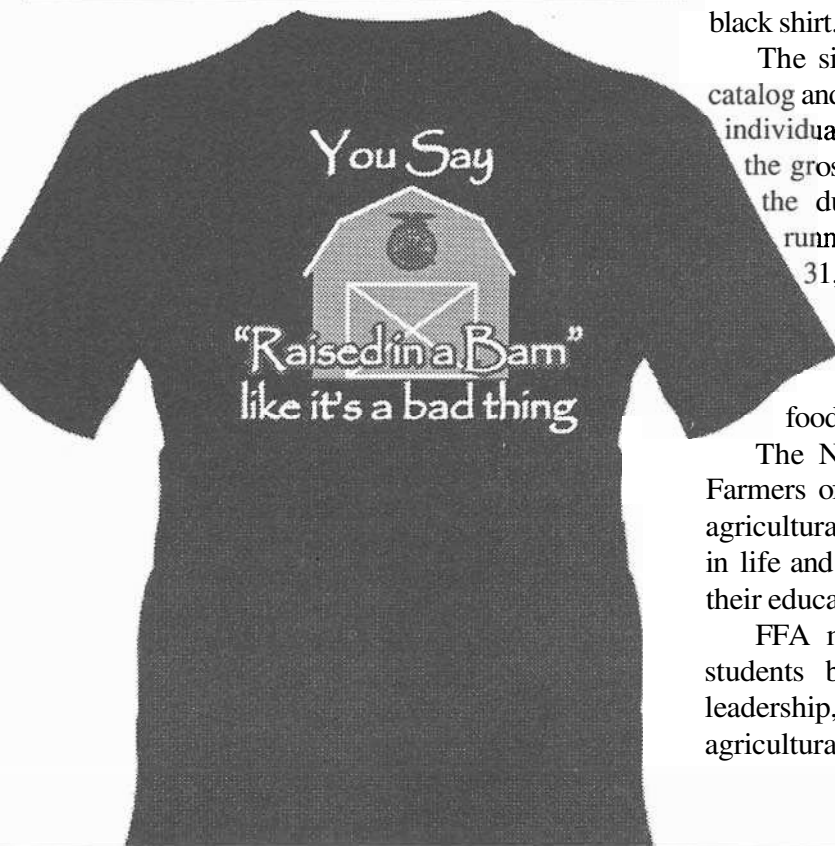

To view the designs go to <http://shop.ffa.org/raised-in-a-barn---hinsdale-ffa---montana-p41315.aspx> or to facebook and search for Shop FFA, then look for Chadaya's black shirt. Click on "Like" or "Tweet" to vote.

The six top designs will be included in the Blue catalog and Shop FFA website where the chapter (not the individual) of the winning designs will receive 50% of the gross profits from the sale of their design during the during the catalog/online store sales period running from September 1, 2011 through August 31, 2012.

Agricultural Education prepares students for successful careers and a lifetime of informed choices in the global agriculture, food, fiber and natural resources systems.

The National FFA Organization (formerly Future Farmers of America) envisions a future in which all agricultural education students will discover their passion in life and build on that insight to chart the course for their educations, career and personal future.

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

They played, they coach...

Recent state basketball tournaments had a lot of "Scobey influence" in evidence.

Of course, the biggie here was Scobey/Opheim winning the State C Championship. The Spartans coach is Jason Wolfe, a 1997 Scobey graduate who played on a state championship team in 1996, the last time Scobey won a state title.

Also playing Saturday night when the Spartans won the 2011 title were the Froid/Lake boys who are coached by Josh Stentoft, SHS '96. And then there are the State B Champion Wolf Point Wolves, coached to an undefeated season by SHS 2000 graduate, Kelly Nieskens.

Yep, if you played hoops for the Spartans and decide to coach, looks like you've got some great credentials! references for your résumé!

And, how's this for neighbors helping neighbors? Ask any Spartan fan who was in Bozeman about the Froid-Lake pep band and the response will be positive every time. Since Scobey's pep band didn't make the trip, the Froid-Lake pep band, under the direction of Froid's Mark Miller and Medicine Lake's Ginny Bjorge, played for Scobey fans during the Scobey games, including Scobey's school song.

Like a good neighbor, Froid-Lake was there...

An Italian, a Scotsman, and a Chinese fellow were hired at a construction site. The foreman pointed out a huge pile of sand and told the Italian guy, "You're in charge of sweeping.", To the Scotsman he said, "You're in charge of shoveling." And to the Chinese guy, "You're in charge of supplies."

He then said, "Now, I have to leave for a little while. I expect you **guys** to make a dent in that there pile."

The **foreman** went away for a of couple hours, and, when he returned, the pile of sand was untouched. He asked the Italian, "Why didn't you sweep any of it?"

The Italian replied, "I no hava no broom. You said to the Chinese fella that he a wasa in a charge of supplies, but hehasa disappeared and I no coulda finda him nowhere."

Then the foreman turned to the Scotsman and said, "And you, I thought I told you to shovel this pile."

The Scotsman replied, "Aye, ye did lad, boot ah **couldnay** get **meself** a shoovel! Ye left th' Chinese gadgie in charge of supplies, boot ah **couldnay** fin' him either."

The foreman was really angry by now and stormed off toward the pile of sand to look for the Chinese guy.

Just then, the Chinese guy jumps out from behind the pile of sand and yells... "SUPPLIES!!!"

A guy is sitting at home on the verandah with his wife and he says, "I love you."

She asks, "Is that you or the beer talking?"

He replies, "It's me... talking to the beer."

It was Saturday night and the preacher still hadn't been able to think of a sermon for the next morning. Finally about 9:00 he finally said to his wife, "Dear, I think I've come up with the perfect sermon. I'm going to talk about horseback riding."

She said, "Don't be silly. You can't give a sermon about horseback riding."

He replied, "Well, it's going to have to do because I've preached on just about every other subject I can think of."

The next morning as they were driving to church, she said, "I can't believe that you're insisting on doing this. You know, if you're going to give that silly sermon on horseback riding, I'm just going to stay in the car."

He said, "OK, then, suit yourself," so she stayed in the car.

Entering church, the preacher had a sudden inspiration and gave a hell-fire and brimstone sermon on sex that had the congregation in awe.

As the congregation filed out of the church, some of the members saw his wife sitting in the car and approached her. One of them said, "Wow! You just missed the best sermon your husband has ever given!"

She said, "Yeah, right! He talks big, but he's only tried it twice in his life. Once before we were married and once after, and he fell off both times!"

FRIDAY FUNNIES BY SUGAR

The Fallon County Sheriff Dept. still write their reports by hand, and the data is entered later by a computer tech into their database. One theft report stated that a farmer had lost 2,025 pigs. Thinking that to be an error, the tech called the farmer directly.

"Is it true, Mr. Johnson, that you lost 2,025 pigs?" she asked.

"Yeth, I thure did," said the farmer.

Being a Fallon County girl herself, the tech entered: "Subject lost two sows and twenty-five pigs."
