If you would prefer us to contact you for your card's expiry and security code, please tick this box:

Fee Code: _____

Diploma Details

The program fees are per student and include reference manuals, live webinars, assignments, software, program materials sent in electronic format and ongoing support.

You can "pause and restart" by joining a subsequent intake (a rejoining fee may apply). We will allow up to 3 years from your original start date to complete the program.

You can withdraw from the program at any time and receive a statement of attainment for the modules you have completed. However, successful completion of all modules will earn you the relevant National Technical Diploma.

CANCELLATION

A fee equivalent to 1 monthly instalment (approximately 6% of the total program fee) will apply for written cancellations received less than 14 days prior to the start date of the program. However substitutes are welcome.

CONFIRMATION

Official confirmation of your place will be sent by email within 5 business days of acceptance of your application. Detailed program instructions will be supplied upon start date.

PLEASE NOTE

IDC Technologies has no affiliation with suppliers or manufacturers and therefore presents a completely unbiased factual view of the industry.

Instructors may change without notice.

Webinar schedules are subject to change.

Unforeseen technical problems may occur resulting in the cancellation or rescheduling of webinars.

PRIVACY INFORMATION

If your address details are incorrect, or you wish to remove your name from our mailing list, please contact us by phone, fax or e-mail (see below).

At times we make use of lists that cannot be cross-checked against our own database and you may receive a duplicate. If so, please pass this on to an interested colleague.
