PRE-PAY AND SAVE!

Mid Island offers a pre-payment discount for flight training or aircraft rentals. With a minimum opening balance of \$2000 (cash or check only), we will apply an additional 5% credit to your account. We request that only flight training be charged to this account, not fuel or pilot supplies. In the event you require a refund of this account, the full 5% discount initially credited, will be deducted from your balance before issuing a refund. Your account must maintain a positive balance in order to take advantage of the pre-payment discount for additional deposits. In order to continue to receive 5% on future deposits, you must make an additional \$2000 payment while the account still has a credit balance.
