

College Withdrawal & Leave of Absence Request Form for SPCE & Sage Online Students

Completed forms should be emailed to Associate Dean of Academic Advising, Karen Schell; schelk@sage.edu

The Withdrawal form must be filled out when you are withdrawing from all of your courses or taking a leave of absence for one full term. If you withdraw without taking a LOA, and wish to return to The Sage Colleges you will need to apply for readmission. Leave of Absences (LOA) are granted for a specific period of time. Undergraduate SPCE and Online students who do not register for a period of one year will be considered administratively withdrawn from The Sage Colleges. If you anticipate not enrolling in courses beyond the allotted one year timeframe, you are encouraged to apply for a LOA. Online graduate students who do not register for a period of two years will be considered administratively withdrawn from The Sage Colleges. If you anticipate not enrolling in courses beyond the allotted two year timeframe, you are encouraged to apply for a LOA. If you are granted a LOA this will guarantee that you will stay under the same catalog year that you are currently under and you will not need to reapply to The Sage Colleges.
