

Help CCCS by Buying Gift Cards

Example showing how buying gift cards helps CCCS: With \$100 buy a gift card with \$100 of stored value and the merchant of the gift card will give CCCS a rebate (say 3%, or \$3) to use for teachers, materials, school functions, etc.

How long it takes: Order and turn it in by the end of each month, and receive your cards by the 2nd week of next month. For example, if you order by September 28, you will receive your cards by October 11.

Three routes to order:

Route 1: for 99 Ranch Market gift card visit the CCCS Snack Bar anytime it is open. Bring cash or check; no paperwork or prior scheduling is needed. **Starting November 2014, Starbucks, Safeway and Target will be available anytime.**

Route 2: a mix of online and paper

1. Go to <https://www.shopwithscrip.com/login/register.aspx> , register your family, and select your desired gift cards. Note that the list of such cards is long so for quick ideas look on the order form on the back of the page.
2. Use **school enrollment code B85D1EEE39383** to indicate this order is associated with CCCS, submit your order, and remember the order number and total amount due.
3. Physically give at CCCS's PTA Snack Bar that order number along with cash or check (payable to "CCCS PTA") for the total amount due. There is no need to fill the bottom of this page "Information about You".
4. Look in Principal Chen's weekly email for a reference about the arrival of the gift cards or look for an email directly to you stating your gift cards have arrived.

Route 3: all paper

1. Use the form on the back of the pager to select your gift cards. Note that gift cards from other merchants exist also. Visit www.glscric.com for a complete list.
2. Fill out the rest of the form, calculate the total amount due, and fill in at the bottom of this page "Information about You"
3. Give to CCCS's PTA Snack Bar that form along with cash or check (payable to "CCCS PTA") for the total amount due.
4. Look in Principal Chen's weekly email for a reference about the arrival of the gift cards or look for an email directly to you stating your gift cards have arrived

Note: Rather than using cash or checks you could also use a credit card. However doing so, it would cost CCCS 2.75% of the total amount due plus a one time transaction fee, so please be sure that the total rebate to the school from the various merchants exceeds 2.75%.

Questions? Email at cccs.parentassociation@gmail.com or ask anyone at the CCCS Snack Bar
