# Audition Requirements by Art Form (continued)

## Incoming 6–8

Students will participate in an on-site, on-demand multi-faceted review of the student's portfolio, drawing, writing and an interview. All students must bring a portfolio of 10 (ten) original artworks that include:

1. A self-portrait in pencil done from observation (looking into a mirror), not from a photograph.
2. A drawing done from observation—choose an object and draw it with pencil
3. A painting in watercolor, acrylics or oil paints. It may be done on paper, canvas or masonite board.
4. A three-dimensional work—a sculpture, ceramic work or multi-media construction.
5. A project done in school under teacher direction.
6. A project done at home without adult input.
7. The remaining 4 pieces should be chosen to demonstrate the student's artistic interests and skills.

Cartoons and Anime should not constitute the majority of the artwork in the portfolio. Artistic work should, instead, show an emphasis on ORIGINAL observational drawings (drawing from life) and creativity/inventiveness. There are no size limitations but it should be easy for the student to carry to the audition and layout on the table. Clear photographs or digital prints are acceptable for three dimensional work but the actual work is preferred. Work does not need to be matted or framed but should be neat, clean and each piece dated.

Work may be gathered into a large portable portfolio carrier either purchased or made at home. Two large sheets of cardboard with a taped edge to keep the work flat and safe are all that is needed.

## Incoming 9–12

Students will participate in an on-site, on demand multifaceted creativity exam. The exam will include writing a critical essay interpreting a master work of art, a problem solving event and an observational drawing. In addition, each applicant is required to submit a 10–15 piece portfolio including:

1. A detailed self-portrait drawn with pencil from observation, not a photograph.
2. Five additional observational drawings: three in black and white with value (shading/gray scale) and two in color (colored pencil, marker, pastel and or watercolor). Topics: your hand, a view of your room, still life with a variety of objects including plants, an outdoor environment and one of your choices not listed above. No Anime or copied images.
3. Four original artworks in other media: painting, photography, fiber arts, printmaking, ceramics, digital media, video, mixed media. Although the original work is preferable you may also submit artwork samples on a CD as a JPEG, TIFF, PSD, GIF, or Quick Time file type. Please make sure that the CD is readable on MAC-based platform. You may also submit a short video as a DVD (Preferred) or VHS format.
4. A maximum of five additional items, free choice, any media.
5. Student sketchbook(s).

All work must be original, must be no more than 1 year old and in a variety of sizes.
