

## **Tamarac Booster Club**

The Brittonkill Booster Club is currently holding their Annual Membership Drive for the 2012-2013 school year. It is simple to join and volunteer to help us with this great cause. Schools across NYS are facing some challenging fiscal times and funding athletic programs is becoming more difficult than ever.

While athletics is a core component of our mission within the Booster Club, our fundamental task is the education of the whole person through the blending of learning, athletics, service, community, and family. It is with these core elements in mind that our club has planned activities to promote the participation of our entire Brittonkill community whether your child is directly involved in athletics or not.

So many life lessons are taught through athletics: discipline, teamwork, and sportsmanship to name only a few. While nurturing our program and developing life-long memories, we, as a club, invite you to participate so that you too will have a direct impact on our school through the athletic life of all of our children. It is with enthusiasm that we welcome your time as a volunteer in the many activities that are in the works for this upcoming school year.

Our goal is to make sure the athletic program at Brittonkill will have the necessary support to provide opportunity to any student interested in playing sports. We believe the success of Brittonkill athletics is not only due to the dedication of the players and coaches but also to the support of the entire Brittonkill community.

In order to continue to support the athletic program at Brittonkill the Booster Club is asking for your involvement. The funds that the group collects through membership dues and fundraising activities throughout the year are used to provide financial support to our athletic programs.

If you wish to become involved in any way, please always feel free to contact any of us serving on this year's Booster Club committee. We are always available to answer your questions and listen to your ideas and concerns.

The Brittonkill Booster Club values the impact athletics have on a child's social and physical development. The lessons learned and friendships forged through a positive experience will benefit our kids for their entire lives. With your participation, we strive to make the best memories possible for our entire Brittonkill community. We look forward to seeing you on campus during this exciting year of Brittonkill athletics!
