"The ultimate reason to become a medical doctor is to help people. PMF is in this business"

DOCTORS ON BOARD PROGRAM

APPLICATION INSTRUCTIONS

The "Doctors On Board Program" is an innovative and exciting opportunity for African American/Black students who are post baccalaureate, pre-meds, college/university students, community college students, high seniors or juniors interested in becoming physicians to experience a rare snapshot of what it takes to become a physician or pharmacists.

Students will have a phenomenal opportunity to explore various facets of medicine and receive information about medical school preparation.

The Doctors On Board Program provides students interested in becoming a physicians or pharmacists with the following:

- Network with physicians, faculty, residents, medical students, administrators, business professionals
- Attend workshops and receive valuable information on admissions requirements for medical school
- Attend workshops and receive valuable information regarding financial aid for medical school
- MCAT exam preparation and other requirements
- Attend mock medical clinics for students interested in primary care physicians
- Attend mock knot tying and suturing clinics for students in surgery surgeons
- Attend mock immunization and compounding lab for students interested in pharmacy
- Discuss core aspect of medicine and engage in role-play
- Parents & family members attend workshop for "Parents & Family of Future Doctors: How to be Supportive"
- Receive "Doctors On Board Certificate of Completion" at the end of the program
