GRACIE & SPRING STILL WAITING FOR THEIR FOREVER HOME!!

BAAAAAA BAAAAAA!

As many of you may know Gracie is a baby goat Morning Starr took in at 2 weeks old with a severe back injury. She is doing so much better and learning how to be a goat. We added Spring, a baby goat a couple weeks older than Gracie to help her learn goat things. We would love to find a very loving home for Gracie and Spring. Could not be any cuter if they tried! And **LOVING!** We need a family that would like to have these loving goat babies as part of their family. They can sure clean up those weeds in a very short time. Gracie and Spring must go to their new home together. Gracie is around 3 1/2 months old and Spring is a couple weeks older. Gracie may never walk in a "normal" way but she is walking and running in a very special way. She may fall from time to time but gets herself right back up! Spring is happy and healthy and loves to play. If you are interested in Gracie and Spring please email me at fran@morningstarr.org or call at 928-821-2420 to fill out an application.

**More pictures of Gracie and Spring are on Petfinder.com
under Morning Starr Animal Sanctuary.**

FUNDS ARE LOW, BUT WE ARE STILL HELPING!

Thanks to some very generous donations for our "Operation Pitbull" Fund is still helping Pitbulls that are in high risk situations by sending them to Montezuma Vet in Camp Verde for spay/neuter. But funds are getting low so please think of donating to this fund.

Even though we are not having clinics right now we want to make sure that we can still take care of Pitbulls that need to be spay/neutered now. We are also helping when we can for emergencies with pets. We are anxious to get our team back together for September. Our waiting lists are getting long but when September comes we will be back in action!

Thanks to donations from animal lovers like you we are able to still keep our regular prices very low for those who can pay and also offer Free services for those who cannot.

In the meantime we are still doing microchipping and nail trims by appointment. Nail trims are \$5 and Microchipping \$15. Call for an appointment! 928-821-2420

HOT ASPHALT HURTS!

This is probably an obvious tip but one that folks sometimes don't consider enough. It's a great idea to take your dog out on daily walks, but be mindful of when and where you walk him. The best time to walk your dog is in the morning or late evening, when the pavement is cool. Avoid walking your dog in the afternoon when the sun is high in the sky or early evening, because the

pavement will be hot.

You may also want to use protective gear or paw waxes to protect you dogs feet even more.

THANK YOU TO ALL WHO SENT THEIR WARM WISHES AND WONDERFUL CARDS!

Just a short update to those who follow Morning Starr. I am feeling a lot more like myself and had a good report from the doctor at my first check up since my surgery. I am making appropriate changes to my diet so that will really help my one and only kidney to adjust easier as well.

Again, thank you all for your notes and cards. It was so nice to read every one!

LET'S GET THOSE DOGS HOME, FAST!

Morning Starr is keeping our Microchipping costs down to \$15 in order to get those dogs home faster! So many dogs are brought to the Humane Societies and it takes a long time to get them reunited with their owners, which sometimes never happens. If you are reunited then you usually have to pay fines that can be much more than if you had them microchipped. Dogs are stressed in the whole process. We use Petlink Microchips which is a \$15 one time fee for the life of the dog. If your dog is microchipped make sure information is updated regularly. Call to make an appointment with us to get your dog Microchipped!
