

Thank you for downloading our registration packet!

Our electronic registration packet is designed to streamline processing your entrance into our preschool.

Pages 4 – 27

These are forms that must be completed and submitted to us in order to start registering your child into our system. Some forms are specific to infants and toddlers only – these are Infant & Toddler History, Sleep Position Policy and Daily Schedule. Some your child’s physician will need to complete (DHS Forms 908 and 14).

Pages 28 – 39

These are important documents for you to read. During the registration process your Center Director will confirm acknowledgement of understanding of some of these documents. We have also placed our Aloha United Way pledge form if you wish to make a donation via AUW.

Pages 40 – 69

Our Parent Handbook is a requirement for reading. During the registration process your Center Director will confirm acknowledgement of understanding certain sections.

INSTRUCTIONS

NEW TO OUR PRECHOOL

If you are new to this preschool, please make sure to register first for our Inquiry List – you can electronically sign-up via our web page simply click the purple Inquiry List button to get started. You can complete your registration packet after the preschool has contacted you. They will be immediately notified once you have signed-up on our Inquiry List and contact you within 48 business hours.

RETURNING FAMILIES

If you are already enrolled and are registering for the new school year (August 2016 – July 2017), complete the necessary forms and make sure to read all documents as some may have changed since you last read them. Once completed and signed, you have several ways to submit to us:

1. Print and submit **only the necessary forms** to your Center Director
2. Fax – please see next page for a listing of all our preschool fax numbers
3. Email – please see next page for a listing of all our preschool emails

Once we have received your registration packet, a staff member will confirm your registration by contacting you to set-up payment and any final details.

Mahalo for registering your child via our new electronic registration packet!

IMPORTANT: Completing and submitting a registration packet does not guarantee your child an immediate spot.

2. PHOTO AND/OR STORY RELEASE:

Because of the mutual benefits and for no pay or remuneration, I hereby authorize Kama'aina Kids to use my child's name, photo or video at any time and in any manner in connection with its advertising, publicity, and public relations. Multimedia may only be used by Kama'aina Kids. No further claims will be made by me.

Signature of Parent/Guardian

Date

3. CONSENT TO TEST:

As part of our program, Kama'aina Care, Inc. routinely assesses and evaluates each child's development. Occasionally, testing is done by State Department of Health (DOH) specialists in cooperation with Kama'aina Care, Inc. to further define and evaluate developmental areas. If at any time your child is tested by an outside resource, you will be notified in advance and an additional signature will be required.

I hereby give consent to have my child tested by Kama'aina Care, Inc. and/or DOH staff in cooperation with Kama'aina Care, Inc.

Signature of Parent/Guardian

Date

4. MEDICAL EXPENSES:

Payment of medical expenses incurred as a result of injuries sustained by a child does not constitute an admission of liability or waiver of any defense to claims of liability by Kama'aina Care, Inc. and it is hereby agreed by the undersigned that Kama'aina Care, Inc., reserves all its rights and defenses to any claim regarding or relating in any school-related injury.

Enrollment Contract

Rev. 06/15

Hawaii's Enrichment & Education Professionals
A Non-Profit Organization

AGREEMENT: In consideration of Kama,aina Care, Inc., hereinafter known as Kama,aina Kids, accepting and enrolling our (my) child _____

1. SIGNING THIS CONTRACT

Before a child enters the Center, this contract and related forms must be signed by parent/s or guardian/s legally responsible for the child.

2. FEES

The nonrefundable enrollment deposit will be credited to the first month's fees. If a child is enrolled on any other date than the first day of school of the month, the tuition for that month is the daily rate for the remainder of the month as established by the latest Kama,aina Kids fee schedule, but not to exceed the current monthly tuition as established by the latest Kama,aina Kids fee schedule. At least 30 days written notice will be given to families of any changes in the Kama,aina Kids fee schedule.

All tuitions are charged at a monthly rate, which is calculated based on the average number of school days per month during the school year. There are no vacation, sick or holiday fee scales.

3. TUITION PAYMENTS

Upon enrolling, the Registration Fee, Annual Comprehensive Fee and the initial Tuition fees are due **prior to your child's entry date**. Thereafter, all tuition fees are due on or before the 1st of each month for that month's enrollment. Tuition not received on or before the 1st of the month will be assessed a late fee UNLESS you have prior written agreement with the Center Director for installments on your monthly tuition, IN WHICH CASE, you will be assessed an Installment Fee of \$10 per installment payment.

Monthly billing statements are NOT provided. Please save receipts or canceled checks for tax purposes.

Payments may be made by CHECK, MONEY ORDER, VISA, MASTERCARD, DISCOVER, AMERICAN EXPRESS CARD or ELECTRONIC FUNDS TRANSFER at the preschool site. See your Center Director for information on cash payments.

- **All first-month tuitions must be made prior to enrollment.**
- Payments may be made with your VISA/MASTERCARD/DISCOVER/AMERICAN EXPRESS CARD or ELECTRONIC FUNDS TRANSFER DEPOSIT by completing the "Tuition Express" form included in your registration packet at the time of registration.
- Please include your child's name when making payments.

4. LATE PAYMENT/RETURNED CHECKS

Tuition not paid by the 1st of the month is delinquent. Child's account will be assessed a \$30 late payment fee and child will be suspended or dropped from enrollment by Kama,aina Kids in accordance with its current procedure. Post-dated checks do not constitute timely payments. Accounts with returned checks will be assessed a \$25 fee. Returned checks will not be redeposited. The Center Director must receive a money order including the \$25 fee no later than three working days following notification of the returned check to ensure continued enrollment.

5. SUSPENSION

A child may be suspended if tuition payment is not received by the due date. The child will not be admitted to school until the delinquent fees are paid. A child remaining on suspension for more than one week may be terminated. Repeated suspension constitutes grounds for termination. Parent(s)/Guardian(s) will be financially responsible for all unpaid tuition and fees up to the date of terminated enrollment. Kama,aina Kids may use any and all legal measures available to them to pursue all unpaid balances regarding my child's account.

6. ATTENDANCE

There is no tuition reduction or refund for days missed due to vacation or for illnesses. In the event of an extended absence due to family emergency or illness, a payment adjustment may be arranged at the discretion of the Center Director.

7. LATE PICK-UP CHARGE

Oahu: A fee of \$5 will be charged for the first 15 minutes late, for programs that end prior to 6pm. There will an additional fee of \$1 per minute as of the 16th minute.

A fee of \$5 will be charged for the first 5 minutes or any portion thereof and \$1 per minute thereafter for any program that ends at 6pm. An invoice will be issued and is due and payable with tuition payment. Repeated failure to pick-up on time can result in mandatory change to another program or in disenrollment.

Piilani: A fee of \$1 per minute late after 5:30pm.

Lahaina and Kahului: A fee of \$5 for the first 15 minutes late and \$1 per minute late thereafter for all programs.

8. FUNDRAISING

Tuition for our preschools only covers a portion of the cost of providing a high quality service. We write grants, look to foundations and to our parents with help in fundraising efforts to try to keep our tuition stable. You have a choice of participating in the fundraising efforts at your child's school or giving the school a cash equivalent in the amount of the value of the particular fundraiser that is taking place. Your individual preschool director will have additional information available for you.

9. VOLUNTARY WITHDRAWAL FROM PROGRAM/CHANGES

Four weeks written notice is required. Prepaid tuition will not be refunded unless proper notice has been given. Tuition is charged through the end of the four weeks regardless of whether or not the child will be in attendance.

10. RULES AND REGULATIONS

Enrollment of your child indicates your agreement to abide by Kama,,aina Kids rules, regulations, and policies including, but not limited to those contained in this Contract, related registration forms, the Parent Handbook and the Operations Policies, available for your review in the Center Director's office.

11. LIABILITY WAIVER

INFANT SLEEP POSITION POLICY

The American Public Health Association and the American Academy of Pediatrics have written guidelines for child care centers called *Caring for Our Children-National Health and Safety Performance Standards*. The following rules regarding infant sleep position shall be adhered to in accordance with these regulations:

- Non-mobile infants shall be placed on their backs on a firm tight-fitting mattress for sleep in a crib.
- Waterbeds, sofas, soft mattresses, pillows and other soft surfaces shall be prohibited as infant sleeping surfaces.
- All pillows, quilts, comforters, sheepskins, stuffed toys, and other soft products shall be removed from the crib.
- If a blanket is used, the infant shall be placed at the foot of the crib with a thin blanket tucked around the crib mattress, reaching only as far as the infant's chest.
- The infant's head shall remain uncovered during sleep. (*Caring for Our Children, Standard FA 190A*)
- Unless the child has a note from a physician specifying otherwise, infants shall be placed in a supine (back) position for sleeping to lower the risks of Sudden Infant Death Syndrome (SIDS).
- When infants can easily turn over from the supine to the prone position, they shall be put down to sleep on their back, but allowed to adopt whatever position they prefer for sleep.
- Unless a doctor specifies the need for a positioning device that restricts movement within the child's crib, such devices shall not be used. (*Caring for Our Children, Standard HP 006*)

I acknowledge that I have read and understand the Infant Sleep position Policy.

This month's focus is:

Aloha Kama'aina Kids' Families,

We understand that many of you are busy and participating in the annual spring fundraiser at your child's school may be a time constraint that is difficult for you. We have other options as well. Please take a minute to read about how your efforts impact your child's school.

- Last year's fundraiser earned Kama'aina Kids programs a total of \$46,200 across twenty preschools and two islands.
- Because of the ability to fundraise for certain equipment it helps to keep our tuition increases lower.
- Every school was able to access their fundraiser accounts to purchase new playground equipment and classroom supplies that are not covered by day to day expenses or the annual comprehensive fee.

In addition, a portion of your fundraising dollars goes to help with tuition subsidies for those who cannot quite make ends meet.

All this being said; we recognize that your time is valuable. So this year we also give each family the opportunity to "opt out" of our fundraiser or to participate in a different way! Each family that participates fully with our Spring Fundraiser earns our programs a minimum of \$80. This year, if you choose not to participate, we will gladly accept your donation in place of participation. This \$80 (or more) donation will be a 100% tax deduction for the 2016 tax year.

If you are interested in freeing up your time by "opting out" of our Spring Fundraiser, please complete the following page and return to your director with the rest of your completed packet. If we don't get this form back from you, we will assume you are participating by selling Zippy's tickets. These will be ready for distribution this coming spring.

Regardless of your family's decision, we greatly appreciate your trust in our company and your help with our programs.

Sincerely,

The Preschool Management Team

Hawai'i's Enrichment & Education Professionals
A Non-Profit Organization

--	---

To be used as part of a cover letter to the preschool, parent or physician.

The purpose of the Hawaii Department of Human Services (DHS) Early Childhood Pre-K Health Record Supplement (EC-Pre-K HRS) is to provide developmentally appropriate information on the child's health, growth and developmental status for (Pre) school entry. The EC-Pre-K HRS is to be used in conjunction with the Hawaii Department of Education (DOE), Student's Health Record Form 14 2010.

The DHS EC Pre-K Health Record can be downloaded from the Hawaii Department of Human Services website, <http://humanservices.hawaii.gov/> and search for Form 908. The DOE Student Health Record Form 14 can be downloaded at Department of Education website: <http://www.hawaiipublicschools.org/Pages/home.aspx>, click on Parents and Students, click on Enrolling in School, click on How to Enroll, look for Related Downloads and click on Student Health Record.

The child's physician is requested to complete the DOE Student Health Record Form 14 and DHS EC Pre-K Health Record Supplement. The following are directions for completing the DHS EC Pre-K Health Record Supplement.

Revised 5/2015

Building For the Future

This day care facility participates in the Child and Adult Care Food Program (CACFP), a Federal program that provides healthy meals and snacks to children receiving day care.

Each day more than 2.6 million children participate in CACFP at day care homes and centers across the country. Providers are reimbursed for serving nutritious meals which meet USDA requirements. The program plays a vital role in improving the quality of day care and making it more affordable for low-income families.

Meals CACFP homes and centers follow meal requirements established by USDA.

Breakfast	Lunch or Supper	Snacks (Two of the four groups):
Milk Fruit or Vegetable Grains or Bread	Milk Meat or meat alternate Grains or bread Two different servings of fruits or vegetables	Milk Meat or meat alternate Grains or bread Fruit or vegetable

Participating

Facilities

Many different homes and centers operate CACFP and share the common goal of bringing nutritious meals and snacks to participants. Participating facilities include:

- **Child Care Centers:** Licensed or approved public or private nonprofit child care centers, Head Start programs, and some for-profit centers.
- **Family Day Care Homes:** Licensed or approved private homes.
- **Afterschool Care Programs:** Centers in low-income areas provide free snacks to school-age children and youth.
- **Homeless Shelters:** Emergency shelters provide food services to homeless children.

Eligibility

State agencies reimburse facilities that offer non-residential day care to the following children:

- children age 12 and under,
- migrant children age 15 and younger, and
- youths through age 18 in afterschool care programs in needy areas.

Contact

Information

If you have questions about CACFP, please contact you State Agency or sponsoring organization.

USDA is an equal opportunity provider and employer

English Version

The Creative Curriculum ®

- ***The Creative Curriculum* ®** is built on the philosophy that young children learn best by doing. It is built upon theories of development in young children, that all children learn through active exploration of their environment and therefore the environment plays a critical role in learning. The goal of ***The Creative Curriculum* ®** is to help children become independent, self-confident, inquisitive and enthusiastic learners by actively exploring their environment. The curriculum also helps the teacher to take a closer look at each child's unique abilities, interests and needs.
- ***The Creative Curriculum* ®** approach balances both teacher-directed and child-initiated learning with an emphasis on responding to children's learning styles and building on their strengths and interests. It provides clear guidance on the teacher's role in addressing content in **literacy, math, science, social studies, the arts, and technology**, yet never loses sight of the primary importance of social/emotional development in children's learning.
- ***The Creative Curriculum* ®** identifies goals in all areas of development: **Social/Emotional, Cognitive, Physical and Language**. The planned activities for the children, the organization of the environment, the selection of toys and materials, planning the daily schedule and interacting with the children, are all designed to accomplish the goals and objectives of the curriculum and give each child a successful year in school.
- ***The Creative Curriculum* ®** shows teachers how to integrate learning in literacy, math, science, social studies, the arts, and technology throughout the day. It also gives the teacher a wide range of teaching strategies to best respond to children's learning styles, strengths, and interests.
- ***The Creative Curriculum* ®** encourages parental involvement and works best when teachers and parents work together. The curriculum offers tools for parents to understand, assess, and support their child's development, as well as connect with teachers and other individuals important in their child's development.

www.kamaainakids.com

Aloha,

We are pleased to announce that Kama'aina Kids is a member of Aloha United Way. We now may participate in and receive donations specifically designated for Kama'aina Kids from AUW. **We need your help and support.**

You too can support Kama'aina Kids by agreeing to set aside a part of your monthly pay during your employers annual AUW drive and designate it to go toward Kama'aina Kids. With this money we support scholarships for preschool and school age children, as well as contribute to the general fund for capital improvements, renovations and equipment.

We are asking that you take the time to fill out the attached form and send it in to our corporate office, fill out the form at your place of work or fill out the form and send in a donation. Every little bit counts.

Our company designation number is **70870**. Please take the time to fill out the attached form, return it, and donate so that we can provide even more opportunities for the Keiki of Hawaii.

Thank you for your continued support of Kama'aina Kids and the impact made by your commitment to our company.

In Service to Children,

Buffy Owens
Vice President

GIVING SOCIETIES

Check the box if you have donated the noted amount and want to be a part of this program.

- Tocqueville Society:
\$10,000 or more
- Leadership Giving Society:
\$1,000 to \$9,999
- Society of Young Leaders:
(21-45 years old): \$120 or more
- Legacy Society Members:
Donated a planned gift

TOCQUEVILLE SOCIETY

The Tocqueville Society is comprised of local philanthropic leaders and volunteer champions who have devoted time, talent, and funds to create long-lasting changes by tackling our communities' most serious issues.

LEADERSHIP GIVING

With a \$1,000 annual gift or more, you will be part of a select group of individuals who make a profound difference, set a standard for giving and create opportunities that foster a better life for all.

SOCIETY OF YOUNG LEADERS

The Aloha United Way Society of Young Leaders engages the next generation of leaders in making Hawaii a better place. Together, we GIVE, SERVE and LEARN to make a collective, positive impact on the most pressing issues in our community.

LEGACY SOCIETY MEMBER

The Legacy Society honors generous individuals who have made provisions for Aloha United Way in their long-term plans. Planned gifts can include a gift in your will, charitable gift annuities, or a percentage of your retirement plan, assets, or life insurance.

GIVING GUIDE

26 Payments	24 Payments	12 Payments	Total Annual Gift Amount
\$10.00	\$10.84	\$21.67	\$260.00
\$14.04	\$15.21	\$30.42	\$365.00

\$500.00	\$541.67	\$1,083.34	\$13,000.00

Consider Dollar A Day

Giving is a personal decision and is voluntary. Whatever amount you choose to give, thank you for your donation.

YOUR GIFT MATTERS

\$10 per month will pay for 300 meals for low-income seniors and families for one year.

\$50 per month will ensure that 3 individuals who are homeless and without medical insurance will receive comprehensive medical, dental, and behavioral health services for one year.

\$250 per month will provide early childhood learning programs for one child from a lower income family for one year.

For more information, contact Aloha United Way at info@auw.org.

Kama`āina Kids

In order to provide a smoother transition for the children from home to the center, we would like to request that your child arrive having their first feeding and diaper change. With the children's basic needs being met, the teacher will be able to focus on helping the children transition into the classroom and dealing with the separation anxiety that often takes place. Please know that when children are crying, teachers will evaluate and prioritize needs and attend to the children promptly.

The following list indicates items your child will need at the center. Please bring them on the day your child starts. All of these are very important and will be kept at the center at all times. Please remember to return or replace clothing items that have gone home. Please label **EVERYTHING** that you bring in for your child.

Infants need:

1. Disposable diapers and wipes
2. Prepared daily formula in bottles
3. Cereal and baby food (please provide sufficient amount of bottles – check with staff for suggested amount)
4. At least two (2) full sets of extra clothes to stay at the center
5. Two (2) crib sheets
6. Two (2) lightweight blankets

Optional items:

1. Burp clothes
2. Bibs
3. Pacifiers
4. Teething toys
5. Back-up formula

Baby food that is bought into the center should be limited to a two-week supply and diapers limited to two bags at a time.

Any feeding equipment that you want sterilized needs to be done at home. Our classrooms are not properly equipped to sterilize infant feeding equipment.

Please refer to your Parent Handbook in regard to administering medicine to children while in our care.

All items should be clearly labeled with your child's name. Please help us with this by labeling all bottles and bottle caps, blankets, sheets and extra clothes.

Thank you,

Centers' Infant Staff

INFANT/TODDLER PROGRAM DESCRIPTION

Our Center offers programs for children ranging in age from 6 weeks through 6 years. We offer classrooms for infants and toddlers, young two's, preschool age children and older preschoolers. Each of these programs gives the children the opportunities to learn through play within a developmentally appropriate environment and curriculum. The classrooms and outdoor play opportunities for each program have been carefully designed to offer safe yet challenging opportunities for active learning.

Infant/Toddler Program

The goal of our Infant/Toddler Program is to provide an environment of trust and respect where children can comfortably explore themselves and the things around them. To do this we concentrate on sensitive caregiving practices, which facilitate the development of each child's social, intellectual, psychological, and physical capabilities. The center is seen as a support system for parents/guardians, and close relationships between parents/guardians and caregivers are highly valued.

A large part of planning for infants and toddlers must take their particular needs into consideration. Providing each infant and toddler with a primary caregiver provides the child with an important adult who offers loving attention and individualized care surrounding napping, feeding and diapering. This special relationship cultivates the baby's sense of stability, awareness and self-esteem. The daily schedule in our Infant/Toddler Program is particularly fluid and adapts to the individual needs of the children for napping, feeding, exploration and adult interaction. Caregivers observe the children and discuss their typical patterns with parents/guardians in building a solid partnership and understanding of the child's particular daily habits.

Infants and toddlers are provided with opportunities to see, hear, feel and explore their environments as freely as possible. We offer multi-sensorial experiences throughout each day, including opportunities to experience sand, water, a variety of hand held and mouthable manipulatives, fresh air, music and song, and various surfaces to touch and crawl over: simple things that enrich young children's learning experiences. As children get older we introduce them to simple items for dramatic play, block building, push and pull toys, and some art materials.

Social and cognitive learning comes out of simple daily routines such as feeding and diapering. As an example, feeding an infant is more than a custodial task. Holding the child in one's lap and giving him one's full and focused attention while feeding a bottle gives the child a sense of security and contentment that is vital to their development. Children are given opportunities to feed themselves as soon as they are physically able. This type of feeding usually results in a clean-up job for the adults, but the benefit to the child and their sense of accomplishment is immeasurable. At the core we look for children's activity, and we treat them as active participants rather than as passive recipients in all caregiving routines.

We emphasize the infants' need to experience freedom of movement and freedom of choice in a completely safe environment. Within the scope of this approach, caregivers are sufficiently responsive so that children learn to exercise some control over the social and physical environment. Caregivers monitor the environment for the appropriate degree of stimulation and order. As needed, caregivers set limits to help children gain control and learn the type of behavior that will help them be successful.

Infant/Toddler Program Daily Schedule

For younger infants, the caregivers follow the schedule set by the individual child. For the young and mobile infant, it is important to allow the child to express their needs to a caregiver rather than a caregiver imposing a specific schedule. As the mobile infant moves into toddler hood, they begin to self-regulate and tend to follow the schedule noted below:

7:30am	Arrival Time
8:15am	Indoor exploration of materials
9:00am	Group clean-up and Snack
9:45am	Indoor/Outdoor flow – variety of sensory locomotion, balance activities, art, sand and water play
11:00am	Group clean-up and Lunch time
11:45am	Quiet Activities – Reading and Music
12:15pm	Naptime
2:15pm	Children begin waking
2:30am	Indoor/Outdoor flow – variety of sensory locomotion, balance activities, art, sand and water play
4:45pm	Group clean-up and then Books/Bottles
5:30pm	Departure

Times are approximate within the schedule. The routine will remain the same, but times may vary based on individual and group needs.

WELCOME

Dear Parents:

Starting preschool is an exciting time for you and your child. I want to personally welcome you and your family and thank you for choosing a Kama'aina Kids preschool for your child.

Kama'aina Care, Inc., known as Kama'aina Kids, was started in 1987 with 45 children in a summer program and a vision to provide high quality child care with a variety of activities in which children would have choices. Within a few short years, we were able to expand our services through the A+ After School Program, Before School Programs, Day Camps, Holiday Care, Swimming & Gymnastics programs.

Our Preschool Division, which now includes 24 preschools, serves over 1,500 families. In 1994, Kama'aina Kids took over the management of Camp Timberline, adding a retreat center and environmental education program to our broad range of services. Growing from 45 children in 1987 to now serving over 9,000 children and families daily has made Kama'aina Kids a leading nonprofit private child care provider on O'ahu.

Our company is designed to meet your every child care need. As your child grows, Kama'aina Kids will continue to provide an array of exciting and fun programs throughout the year building your child's sense of self, community and environment.

This Handbook and related registration packet forms contain important information giving you a clear understanding of what you can expect from us and what we will expect from you. Please carefully review all materials and contact your Center Director with any questions. The folder is a convenient place to keep all your important forms.

We sincerely hope your experience with Kama'aina Kids will be a long-term, positive relationship, giving you and your child opportunities to grow and learn. Welcome to our Ohana.

In Service to Children,

Ray Sanborn
President

Important Program Information

Our Mission

Our mission is to serve children and their families by providing ongoing education and enrichment programs to help build a child's sense of self, community and environment.

Program Goals

- To help children develop into caring creative thinking individuals who are concerned about others and the world around them
- To help children develop a positive self-image a foundation of which social and academic success is built
- To develop self-help skills in children
- To prepare every child to enter elementary school ready to succeed.

Curriculum

Our curriculum focuses equally on four major areas of a child's development: social, emotional, physical, and cognitive (thinking process). We design activities to meet each child's needs, abilities and interests. We follow Teaching Strategies Creative Curriculum* and for our four-year-old classrooms, we use the Hawaii Preschool Content Standards as a guide to curriculum planning to support and promote school readiness.

Learning Centers offer guided experiences that encompass all the skills and understanding necessary for optimum development and success in school. The Learning Centers include: Language/ Library, Construction/Blocks, Science/Nature, Art/Creative Expression, Music/Movement, Sensory, Outdoor Learning and Math/Manipulatives.

We want children in our care to develop their curiosity and confidence in themselves as learners. We want them to learn tolerance for those with views different than their own. Our goal is to provide a safe, nurturing environment that supports the "whole" child's needs while being sensitive to the needs and preferences of the families.

**See Creative Curriculum Handout in Registration Packet*

Staff

Our staff are the heart of the quality care we offer your children; they're carefully selected for their caring attitude towards your keiki and are required to continually upgrade their skills through workshops and other professional growth opportunities.

All our Centers are Hawai'i-licensed whose staff meet or exceed all state licensing educational requirements. For teachers, this may include a Child Development Associate credential or a two or four-year degree. All Kama'aina Kids employees are First Aid certified and undergo criminal history checks.

Important Program Information

Operations

Oahu Sites: 5 days a week, Monday through Friday from 6:00am to 6:00 pm. Various schedules are also available, check with your Center Director.

Maui Sites: Kahului, Lahaina and Pi'ilani hours are from 7:00am to 5:30pm.

Operational Policies

Parents will be notified within 4 weeks for Infant/Toddler and 30 days' notice for all others when changes are made to any operational policy, including but not limited to, tuition increases, and school closures (not emergency based).

Philosophy

Kama'aina Kids Preschool philosophy and goals are built around the physical, emotional, social and cognitive needs of the children.

We believe that:

Children

- need to be allowed a childhood with time to grow and learn
- learn best by participation and involvement
- have the right to explore, accomplish, and make mistakes
- have the willingness and capacity to learn
- need opportunities for healthy interaction with each other

Staff

- influence children's attitudes about themselves, others and school
- are the determining factor in quality program
- maintain their skills through training and experience

Parents

- are partners in their child's care
- desire the best for their children
- deserve our appreciation and respect for allowing us into the lives of their children

Parents & Staff working together as a team provides the optimal learning environment for children.

Admission Requirements

Before Your Child Starts

Adjusting to school is a gradual process. Much is new and unfamiliar: the building, teachers, other children, routines, food and daily rest time. We ask that parents and children visit the Center several times before your child's first day of school. This gives you both a chance to meet staff and become familiar with the group.

Please call the Center before you drop by to be sure child's group is on-site that day. We want to do everything possible to help make your child's transition as smooth as possible.

TB Clearance and Health Form

The state requires you to turn in your child's TB skin test and Health Form 14 (showing Physical and Immunization records) and 908 Form results *before your child can be admitted to our facility.*

School Supplies Families Need to Provide:

- 1) Change of clothes, labeled, in a plastic bag
- 2) Labeled blanket or sheet for rest time
- 3) Diapers and wipes if needed
- 4) Family Photo

Note: Art and classroom materials are provided by the Center.

Health Insurance

Kama'aina Kids requires that every child be covered under a current medical plan before enrollment. You must maintain coverage for the duration of your child's enrollment in our program. Failure to do so will result in termination from the program. Your child's medical plan information, doctor's name and a copy of their medical insurance card or other proof of insurance must be provided on the Emergency Form prior to enrollment.

DHS Tuition Assistance

Families receiving DHS tuition assistance are required to complete paperwork for direct deposit of payment to Kama'aina Kids. Payment of any portion of tuition that is the parents' responsibility is due on or before the 1st of the month.

School Procedures

Sign-In/Out Procedure

To ensure the safety and accuracy of your child's enrollment, we require you to use our computerized sign-in and sign-out system, as well as signing your child in and out of the classroom. The Center assumes responsibility for your child after they have been signed in by a parent or guardian and retains responsibility until the child is signed out by a parent, guardian, or designated representative of the child's parents or guardians.

For your child's safety, when signing your child in and out, be sure to let the staff person responsible for your child's group know you are either dropping off or picking up your child. Be sure to notify staff if some other authorized person will be picking up your child that day.

Unfamiliar persons will be asked to show a picture ID that will be checked against your authorized pick-up list. Please be prepared to present your ID to our staff the first few days of enrollment and/or when new staff are present.

Authorized Adults for Drop-Off and Pick-Up

Adults or teenager 16 years or older, who are authorized by you, may sign your child in and out of school.

To make changes in your list of those authorized to pick up your child, (which you gave the Center at the time of enrollment), you must give our staff written notification in advance. ***The state requires the person's name, relation to child, address, and home phone number.***

Only the parents with primary custody may make last minute emergency authorizations and the following procedures must be followed:

- Parent with primary custody calls the Center, identifying self by providing name and Social Security number or password
- Parent then provides Center with the name, relationship to child and phone number of the person authorized for the emergency pick-up
- Parent informs authorized person to be prepared to present picture ID
- Phone authorizations may be made in emergencies only
- Parent should then add this person to the authorized list the next day

For the safety and well-being of all the children in our care, we will only release your child to those that you have placed on your authorized pick up list as well as the parents/guardians listed. Restrictions beyond those listed, changes in daily pickup beyond what is listed and disagreements between custodial parents cannot be handled by us. Please allow your lawyers and/or HPD to assist you.

School Procedures

Failure to Pick Up Child

Should your child remain at the Center after closing time, Kama‘aina Kids staff will make every effort to contact you and/ or all other authorized pick-up people as listed on your Emergency Form to verify that an authorized person is able to reach the Center to pick-up your child within the hour. We cannot allow any “other authorized pick-up” person to authorize a third party to pick up your child.

As of one hour after closing, if we are unable to confirm that an authorized person is on the way to the Center to pick-up your child, we will report your child as an “Abandoned Child” to the Honolulu Police Department (HPD). They may check with local hospitals and police units to determine whether you’ve had an accident. The HPD may take your child into protective custody, if necessary, until your status can be confirmed.

For any reason other than a medical emergency or crisis, you will be billed for any related late pick-up fee.

Restricting Parental Custody of Child

Kama‘aina Kids staff will not restrict parental custody or visitation rights to the child without a certified court order.

In the case of a Temporary Restraining Order, custody may be withheld only for the duration and per specifications of the order. A copy of these documents needs to be in your child’s file.

If either parent’s condition at the time of pick-up clearly poses a threat to the child (parent is clearly under the influence of drugs/alcohol and normal function is impaired) the child will not be released to the parent. Staff will attempt to contact alternate authorized persons and may, ultimately, contact the authorities.

Visitor Policy

We welcome parents to come and visit their child’s Center during the course of the school year. Below outlines our policy regarding other visitors:

- Visitors are defined as anyone other than a parent/legal guardian or listed on the child’s Emergency Form
- All visitor’s must sign-in and sign-out at the office
- Call the Center to schedule a visit indicating the date/s and time/s
- Visitors are recommended to stay no more than an hour in order to prevent disruption to the class and Center
- Visitor’s coming to see a child, who are not parents/legal guardians or listed on the child’s Emergency Form (social workers, therapists, etc.)

School Procedures

are allowed ONLY BY WRITTEN AUTHORIZATION from a parent or legal guardian. Authorization must have the name of the guest visitor, list the exact dates and times the guest will be on-site, and the duration.

General Program Policies

Non-Discrimination

Kama‘aina Kids enrolls children on a first-come, first-served basis and does not discriminate on the basis of race, religion, national or ethnic origin, gender, age or disability in administration of its admission or program policies, or financial aid programs.

It is our policy to not discriminate against persons with disabilities on the basis of disability, and to provide children and parents with disabilities an equal opportunity to participate in the center’s programs and services, in compliance with state law and the federal Americans with Disability Act.

If a translator is required for parent communication, Kama‘aina Kids will work to provide one as needed.

Children’s Personal Belongings

Please send your child to school in appropriate, safe clothing. Long muumuus and high-heeled footwear are often dangerous for active children and are discouraged. We ask that each child have a complete change of clothes (labeled) available at all times. Parents of non-toilet trained children must provide an adequate supply of diapers and wipes at all times. We ask that no toys, play jewelry, games or videos be brought to school. We will not assume responsibility for lost/stained clothing, footwear or lost/damaged items brought to school by your child.

Failure to provide an adequate supply of clothing and/or toiletries may lead to suspension until supplies are provided by the family.

Disclosure of Information

Information about an individual child, or the parents or guardians of that child will not be disclosed to persons other than the facility staff or the Department of Human Services (DHS) or the Department of Education, unless the parents or guardians of the child grant written permission for the disclosure. This includes concerned family members who do hold legal guardianship. A “Release of Information” form is available for parents or guardians to sign.

In an emergency situation, information will be shared with EMT, Police or other emergency responders as needed.

Special Services

Based on parent/staff observations of the child, developmental screening is available on request through an outside agency.

Parents may also be referred to other mental health or social service agencies at the discretion of the staff.

General Program Policies

Rest Time

All children are expected to rest for a period of time each day. This time generally falls between 12:30 and 2:30 pm at all centers.

Transportation

We do not provide transportation to and from school for children enrolled in our preschool programs.

National Transportation Safety Board (NTSB) research shows that school buses are not designed with the safety of preschool aged children in mind. Their lack of seat belts and cushion zones developed for older/larger children makes transporting smaller children a safety risk.

Your child's safety is priority in Kama'aina Kids; therefore, it is our company policy not to take children in vehicles that does not meet NTSB's Rules and Regulations for preschool aged children.

We do understand that Learning Experiences outside of the classroom environment is very important; therefore each Center will provide a variety of walking excursions, and will maintain permission slips for one year on file. Covered shoes are MANDATORY for ALL walking excursions. If you fail to provide covered shoes your child will not be able to attend, and accommodation's for your child will be made. Please check with your Center Director for more information that may be Site specific.

Fundraising

An Annual Preschool Division Fundraiser is conducted once a year to help support Center based projects and our scholarship and tuition aid fund.

If you prefer not to participate in this specific event, we will charge your account to cover the fundraised net portion that we normally would have received through your participation. This amount will be based on the fundraiser event and may vary year to year. Please consult with your Director for more information.

Children and staff shall not be exploited in activities which would be detrimental to the children or the program.

Request for Copy of Records

Your child's completed registration forms and sign-in/our sheets are legal documents and kept for 5 years after your child leaves the program. Copies of these forms will be provided only to parents with legal custody of the child or through legal measures. The request must be submitted in writing (include the range of dates for which rosters are needed and the date by which they are needed) along with the appropriate payment (See "File Copying Fee" on pg.23). We may require up to ten working days to process your request.

General Program Policies

Continuity of Care

We strive to provide consistency of care by having qualified staff working set schedules with their assigned groups of children. We maintain staff/child ratios that comply with or exceed state licensing regulations.

(4 yr. olds – 1 to 16, 3 yr. old – 1 to 12, 2 yr. olds 1 to 8, toddlers 1 to 5, infants 1 to 4)

When your child's teacher or caregiver does need to be absent, we will have another staff member or substitute available to provide care. Our substitutes go through the same screening and new hire training as all other staff.

Pets

Some Centers have pets in classroom or on the campus. We want children to have the opportunity to learn about caring for living things. All animals are kept well fed and cared for in clean environment. Vet care is provided as needed. As much as we know you love your family dog, only service dogs are allowed on our campus. All others need to remain off campus.

Smoking/Alcohol/Drug Policy

All Kama'aina Kids Centers are smoke free, alcohol free and drug free environments. Smoking is not permitted anywhere on the school grounds including the parking lot.

Parent Communication

Kama'aina Kids staff are committed to working with parents to provide a supportive environment for children. Our Centers provide a variety of written communications to keep parents advised of current class and Center-wide activities.

Please make time each day to:

- Read the teacher's daily summary of activities, normally located on the clipboard or nearby Parent Bulletin Board
- Check your child's mailbox or folder for important notices.

Parent Conferences

Please make time to attend a parent/teacher conference at least twice a year to meet with your child's teacher and share important information on your child's development. These are scheduled directly with your child's teacher. You may also call for an appointment any time during the year to discuss any concerns you have regarding your child.

You will receive a written report regarding your child's development during your Parent/Teacher Conference.

Updating Records

Be sure to keep your records up-to-date. Please inform your Center Director in writing IMMEDIATELY if the home or work phone numbers of either parent or any of those persons listed as Authorized Pick-Ups changes. This ensures we are able to reach you in the event of an emergency.

Health Report

We send this completed form home with your child for any occurrence of illness or injury.

Classroom Assignment/Transitions

Many factors are taken into consideration when deciding to move a child to the next classroom

- Available space
- Length of time the child has been in her/his present classroom
- Social/emotional, physical, and verbal development of the child
- Chronological age of the child
- Peer friendship – depending upon the needs of the children. Friends are either separated or moved together.

Parent Communication

When spaces become available, the procedure for changing a child's classroom are:

1. The Director, with the teacher, determines which children are ready to move.
2. The Director contacts the parent(s).
3. A transition schedule is set.
4. Arrangements are made between teachers for the child to visit the new classroom

The child visits his/her new classroom several times over a period of 1-4 weeks before moving. Parents are welcome to visit the new classroom with the child during these visits or at any time throughout the year in anticipation of a move. Arrangements for these visits can be made through the Center Director.

Parent Participation

We welcome and encourage you to share your talents as well as your time with us. Volunteers are always encouraged to join us for excursions and special parent events, which may include pot lucks or work days.

Watch the Parent Bulletin Board and school newsletter for details. Parents are always welcome to visit. Please prearrange your visit with your child's teacher to allow for any modifications in the schedule.

Behavior Management

During their early years, your child is learning about the world around them and how they fit into it. Children need adults to help them develop self-control and empathy. The ultimate goal is for every child to learn to control their own behavior and to understand how their behavior impacts others. It's natural for children to test limits that adults set for them. Kama'aina Kids staff will use positive guidance techniques, including redirection and logical consequences, to help guide children's behavior. An important part of this process is providing children with the support they need to learn to express their feelings and needs in acceptable ways.

Young children occasionally bite, hit, kick, scratch or throw a toy at others for a variety of reasons. When this behavior becomes persistent and/or extreme, Kama'aina Kids will ask for parent cooperation in efforts to resolve differences. Staff members may seek outside advice and/or services to resolve behavioral conflicts. In normal situations, staff will use positive guidance techniques to address the behavior. Time out will only be used in extreme situations. Time out enables the child to regain control of himself or herself. Time out keeps the child in visual contact with a caregiver and is used selectively, taking into account the

Parent Communication

child's age, developmental stage, and its usefulness of for the particular child. No physical punishment will be used.

Incident Report

We send this completed form home with you to get your help dealing with behaviors of concern or to inform you of any unusual situation that may have occurred with your child that day that you should be aware of.

Reports

All reports including Accident, Observation, Incident and Health Reports are kept on file for one year. Copies are provided to you and represent your official document. Please keep for your records.

Comments, Concerns or Complaints

We work hard to provide you and your child the highest quality care, but we also understand that situations can arise which may need special attention. Please let us know, either in person or in writing, about anything with which you are particularly concerned. A Parent Survey is also conducted yearly. Always bring your concerns to the Center Director first. Should you need further assistance, please contact the Main Office at or (808) 262-4538 or toll-free (888)345-4374. You may be referred to a Regional Manager or Division Director.

Health Policies

For the protection and comfort of your child, and the other children and staff at the Center, we cannot permit sick children to attend during the duration of any illness the child may have. Each day as children arrive at the Center, we will generally check to see that they are rested and in good health. If a staff member upon the child's arrival observes symptoms of illness, the child will not be admitted to the Center that day.

We have neither a separate facility nor adequate staffing to care for sick children. When any symptoms occur, you are expected to come and pick up your child as quickly as possible. If you cannot come within 1 ½ hours, please make other arrangements or we may call names on your emergency authorization list. In all cases, the Center Director has the authority to decide when a child may return to the Center. Resources used by the Director include: "The Health State", published by the Hawaii State Department of Health, covering health requirements for child care centers and preschool entry, and consulting with Hawaii Department of Health Doctors, communicable disease nurses or epidemiologists. Our policies may not always concur with the child's physician's recommendations of when to return to school.

Kama'aina Kids has and implements a written agreement with a health consultant who is a health professional with specific training in health consultation for early childhood programs. The role of the health consultant is to raise awareness of health and safety standards, make recommendations about the program's practices and written health policies to ensure health promotion and prevention of infection and injury. A health consultant agreement letter is on file at every site with all necessary contact information.

If the child is well enough to attend the Center, our staff will assume the child can participate in all activities, including outdoor play.

A child is considered ill if he/she has a fever of 100 degrees F axillary (under the arm) accompanied by a change in behavior, lack of energy, flushed or pale complexion, undiagnosed rash, vomiting, diarrhea, complains of abdominal or head pain, or any combination of the above. Often children are most contagious before or immediately at the time when symptoms first begin to occur. By the time teachers discover symptoms during the school day a child may have already exposed the entire class to an illness. For this reason, we ask that you take conservative measure when your child displays symptoms of illness or has a condition that prevents him/her from participating comfortably in the program.

Children must stay home if they have the following symptoms and may return according to our policies.

Health Policies

1) FEVERS

When a child has a temperature of 100 degrees F. axillary (under the arm)

CHILD MAY RETURN when:

- a. the fever goes below 100 degrees F. axillary (under the arm), while NOT influenced by antipyretic medication (eg. Tylenol, etc.), and the temperature has been normal for 24 hours before the child's return.

OR

- b. a note from a health care provider gives the cause of the fever and states it's not communicable.

2) FEVER DUE TO IMMUNIZATION

Immunizations such as DPT and MMR may cause a fever of up to 102 degrees F. If there are no other signs of illness, the child who has a fever within 24 hours of receiving a DPT or seven to ten days after an MMR may stay at the Center. Fevers resulting from immunization should last no more than 24 hours. Teething in some children may also cause a low grade fever a discomfort. The Center encourages parents to ask their health care provider for medication to relieve these symptoms.

3) DIARRHEA

Diarrhea is defined as two or more loose stools in a four-hour period (if this is a change from the normal pattern). Any diarrhea lasting more than one week MUST have a stool culture done to determine the cause and whether it's communicable or not. **CHILD MAY RETURN** when:

- a. stools are back to normal (diarrhea is completely gone),
- b. OR with a note from your health provider stating the cause of the diarrhea. This will be accepted only if the diarrhea does not become a sanitation issue.
- c. No sooner than 24 hours

Note: if your child goes to a health care provider for this problem, you should notify the provider that your child attends a child care program.

4) VOMITTING

Two or more occasions of vomiting within the past 24 hours. **CHILD MAY RETURN** when free of vomiting for 24 hours.

Health Policies

5) UNDIAGNOSED RASH/BLISTERS

After parent/teacher/director discussion, the child may stay at the Center or be asked to see a health care provider for further evaluation.

6) LETHARGY/LISTLESSNESS/IRRITABILITY

If child is/becomes lethargic, and is only able to be consoled by one-to-one attention (holding, rocking, etc.) by staff. **CHILD MAY RETURN** when able to participate in Center's program.

7) Any child with the following symptoms must stay at home or be picked up from the Center as soon as possible after notification:

- Chicken Pox
- Ringworm
- Pinworm
- Hand, foot, and Mouth
- Impetigo
- Thrush
- Eye inflammation or drainage
- Any other contagious condition

Note: If symptoms occur while the child is at the Center, the child will be isolated, their parent contacted and they will be encouraged to see a health care provider.

Head Lice (ukus)

The child needs to be excluded from care and may return to preschool after treatment for head lice is complete but **MUST BE** nit-free.

Remember: Please notify the Center if your child has any of the above conditions or if you have any health concerns.

Medications

In accordance with state licensing requirements, parents or guardians are required to complete a Medication Form before medication can be given to their child. Staff are not qualified or allowed to decide whether a child requires medication or not.

Based on State regulations, we must follow the procedures listed:

- Only medications prescribed by a licensed physician may be administered

Health Policies

- It must be given to the school in its original prescription bottle, showing child's name, date filled (must be current prescription) and directions for use.
- The child's parent/guardian must complete and sign an authorization form specifying time and amount/dosage of medication to be given.
- Parent fully understands the Center is extending an extra service beyond its normal responsibilities, and the school will not be held responsible for missing any medication dispensing.

Health Practices

We take great care in our efforts to limit the spread of illness in our center. Besides cleaning and disinfecting of toys, and surfaces on a regular basis, both staff and children are required to practice appropriate hand washing throughout the day. Hand washing is done before preparing food or after handling of classroom pets, when returning to classroom from outdoor play, after wiping noses, after coming in contact with blood. Please find additional handouts and diapering chart near the changing area for detailed information for individual children. All classrooms are cleaned by janitorial staff daily.

Child Health Records

Current information about any health insurance coverage is maintained by parents at all times and updated as necessary. Parents are responsible for all updates to health immunizations and any follow-up required for abnormal results. Emergency contact information must be current and up-to-date. The names of individuals authorized by the family to have access to their child's health information must be submitted by the parent/legal guardian in writing. If a child has been diagnosed by a professional with a special health need such as allergies or chronic illness (e.g. asthma, hearing or vision impairments, feeding needs, seizures, diabetes, etc.), the Center needs to be provided with written instructions on how to handle the child's special health need as well as accompanied by a doctor's note. If a child is not fully immunized due to a medical condition documented by a licensed health professional or if documented as a religious belief, upon the breakout of a vaccine preventable disease the child will be excluded from the program until the threat of an epidemic is over or he or she receives proper immunization.

Bloodborne Pathogens

In the event of an injury, our first and foremost concern is always the health and safety of your child. In addition, due to increased concern regarding the risk of exposure to Bloodborne pathogens (disease-causing germs carried by blood such as Hepatitis B virus and HIV) and to ensure our compliance with the Federal Occupational Safety and Health Administration's (OSHA) regulations

Health Policies

for employers, we will follow these procedures in administering first aid to your child:

- 1) Your child's caregiver will don the appropriate personal protective equipment, which must always include gloves and may include a face mask and/or gown to prevent your child's blood from entering caregiver's system through cuts/hangnails or a splash into eyes/mouth.
- 2) Any clothing which is bloodstained will not be rinsed out at the Center; it will be placed in a sealed bag and marked with the "Biohazard" label to ensure that it remains sealed until you take it home.
- 3) In the event that the caregiver believes that your child's blood may have entered his/her system, we are required to provide him/her with a confidential medical evaluation. Unless we are able to verify that your child received the Hepatitis B vaccination series, the HBIG vaccine must be administered to the caregiver immediately.
- 4) We will contact you at the time of the incident to ask if we may have your child tested for the HIV virus. The law protects your decision:
 - a. not to disclose, if you do know your child is an HIV carrier.
 - b. OR, to decline our request to have your child tested.
- 5) Should your child be exposed to another child's blood, we will notify the parents of both children involved immediately and strongly encourage you to contact your physician for a follow-up.

Please understand that OSHA requires us to make every effort to ask you about your child. Without that information, the exposed employee must automatically be tested for HIV at regular intervals over the next six months.

Did You Know That:

- Dried blood can transmit a virus for up to seven days
- Once a person is exposed to someone else's blood (it has actually entered their system, not just gotten on the skin), the Hepatitis B post-exposure vaccine must be administered within 24 hours to prevent infection if the source person has Hepatitis B.
- If the source person is known to be HIV positive, treatment must begin within four hours of the time of exposure to maximize treatment-there is no vaccine.

Health Policies

Emergency Care

If your child requires immediate medical attention and must be transported to the nearest hospital, a staff member will accompany your child to the hospital and stay there until you or your representative assumes responsibility for your child's care.

Infant Sleep Position Policy

To reduce the risk of Sudden Infant Death Syndrome (SIDS), infants unless otherwise ordered by a physician, are placed on their back to sleep. Please sign and review the infant sleep position policy that is in your enrollment packet.

Safety

**Your child's safety is our top priority.
Please read the following section carefully.**

Evacuation Procedures

All schools have a detailed disaster plan posted on the Parent Bulletin Board. You may request a copy from your Center Director.

If evacuation is necessary, a notice will be posted at the school telling you where the group has been evacuated to, as instructed by either Civil Defense (in the case of a natural disaster) or local authorities (in the event of other types of emergencies). We will also put information on the radio as soon as possible. If the public schools in our area are closed due to an emergency situation, our center will also be closed. If either occurs during our hours of service, the Center will remain open until all children have been picked up. Each Center also conducts monthly emergency evacuation drills.

Insurance

All Centers are covered under the liability policy of Kama'aina Care, Inc. for \$1,000,000 per occurrence for bodily injury and property damage and \$2,000,000 general aggregate. All Kama'aina Kids vehicles are insured for \$300,000 per person and \$600,000 per accident.

Protection of Children

For daily safety, please hold your child's hand while in our parking lots. Dress your child in clothing and footwear so they may move about freely and safely in the classroom and outside.

Our annual curriculum includes safety units on subjects such as car and traffic safety, fire safety and poison awareness.

Kama'aina Kids is mandated by state law to report any unusual or suspected incident of child abuse or neglect to the authorities. Such reporting is done for the protection of the child and family.

Food Service

Meals

Breakfast, a lunch and an afternoon snack are provided to children at all Centers. A weekly menu is posted in every classroom. Please DO NOT send any additional food to school with your child unless accompanied by medical exemption.

As participants in the “USDA CACFP” Program (a federally-funded school meal service program administered by the U.S. Department of Agriculture), all meals meet federal nutrition requirements. Your Center Director can give you the Center’s meal times to allow you to plan your child’s arrival and departure times accordingly.

In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, gender, age or disability.

Allergies/Dietary Restrictions

All children are served milk, a USDA CACFP requirement. If your child is allergic to milk or has any food allergies, a physician’s note is required to permit any substitution and must be renewed every school year.

If your child has dietary restrictions for religious or life choice reasons, please notify your Center Director. You may be asked to provide nutritious substitutes.

The Center Director can provide you with a copy of the menu the preceding Friday to plan for the following week.

Birthday Celebration

A birthday is a special day for your child and we understand your desire to make it a memorable one. We must also consider the needs of the group.

In our commitment to promote healthy eating habits, we will not allow foods with high sugar content and ask the following:

- Consider donating a book or puzzle to your child’s class in your child’s honor
- If you choose to send food to celebrate your child’s special day, please send only healthy items such as frozen yogurt, muffins (rather than frosting-laden cupcakes), fresh fruit or granola bars.
- Always consult with Teacher before bringing food items.
-

Special snacks must be approved by the teacher prior to bringing the food to school. DO NOT send birthday cakes, cupcakes, ice cream, goodie bags, or party supplies to school. All food items that are distributed at school must comply with our nutrition policy. Items that do not comply with our nutrition policy will not be distributed, and will be sent home.

Food Service

Infant Feeding

Kama'aina Kids offers food for all children enrolled in our Infant /Toddler program. For children not yet eating table foods, we will provide formula, cereal and baby food. Please see the Center Director to discuss specifics.

We will rinse out feeding equipment, such as bottles, but sterilization will need to be done at home.

School Fees

Tuition Information

Kama‘aina Kids is committed to providing affordable care with a range of program choices to meet your child care needs. As the cost of doing business has increased this has become a greater challenge.

One of the resources available to us, helping to keep tuition costs reasonable, is the cash reimbursement program for meals from the U.S. Department of Agriculture. Our participation in this program allows us to provide our food program at no additional cost to you.

Rates are based on the various program hours and related services you select. We have separate rates for non-toilet-trained and toilet-trained children. Younger children require more staff to ensure quality care, thus, a higher tuition rate. Tuition rates are based on classroom, not necessarily the age of a child (i.e. if a child turns 3 but there is no available space in the 3’s classroom, your child’s tuition remains at the 2yr old rate).

In addition, there may be other charges at certain sites based on program selection and/or classroom situations. Please refer to the current Registration Form.

All tuitions are charged a monthly rate, which is calculated based on the average number of school days per month during the school year. No discount is given for absences, holidays or other days when the school is scheduled to be closed.

All Centers are closed for one week during summer. Because tuition is a yearly total divided into 12 monthly payments, tuition will remain the same for the month in which this closure occurs.

Tuition Payments

Tuition payments are due by the 1st of each month for that month’s enrollment. Full tuition is due whether or not your child is in attendance every day; this includes absences due to family vacations or sick days for less than four weeks in length. In the event of an extended absence due to family emergency or illness, a payment adjustment may be arranged at the discretion of the Center Director.

Tuition not received by the 1st of the month will be assessed a late fee UNLESS you have prior written agreement with the Director for installments on your monthly tuition, IN WHICH CASE, you will be assessed an Installment fee of \$10 per installment payment.

Families receiving DHS tuition assistance will be required to complete paperwork for direct deposit of payments to Kama‘aina Kids and pay their portion by the 1st of the month.

School Fees

****Please refer to your Registration Form for your first month's tuition****

Your Payment Records

Please keep your canceled check as your receipt for tax purposes. For your reference, our tax identification numbers are recorded on your receipt.

Delinquent Tuition Payment

Any payment not received in Kama'aina Kids Main Office by the 1st of the month for that month is considered delinquent. A late charge will be assessed on tuition received after the due date. See current Description of Fees Form for the cost. Your child may be suspended from school effective the first school day after the 1st until the delinquent fees are paid. A child remaining on suspension for more than one week may be subjected to termination of enrollment. The child's guardian will be financially responsible for all unpaid tuition fees. Past due accounts will be referred to a collection agency.

Scholarships

Limited scholarships are available to qualifying families. You can get an application from your Center Director.

Kama'aina Kids would like to acknowledge the on-going support of our scholarship fund by the following trusts and foundations

McInerny Foundation

The Harry & Jeanette Weinberg Foundation, Inc.

The G.N. Wilcox Trust

Other School Fees

Annual Comprehensive Fee

This non-refundable annual fee charged to you at enrollment and during the first month of every school year thereafter, helps cover the costs of administrative and bookkeeping services, curriculum supplies, excursions or on-site special events. A portion of this fee is also allocated for our scholarship fund. See current Description of Fees sheet for cost.

One-Time Registration Fee

This fee is due at registration and is required of all new children as well as those who disenroll and return. It covers processing costs.

Deposit

This non-refundable deposit secures your child's space for a future start date. This deposit will be applied toward your child's first month of tuition.

Program Change Fee

A fee will be charged to your account each time you change your days or hours of service. See Description of Fees sheet for cost.

File Copying Fee

- For all forms in the file: \$2 per page
- Allow a minimum of two weeks for processing
- For Sign-in/out sheets: \$5 Service Fee plus \$10 for each month requested
- Files will be copied for legal guardians upon written request and payment or subpoena only

Late Pick Up Fees

See current Description of Fees

Late Payment Fees

Tuition not received on or before the 1st of the month for that month's tuition is considered delinquent. A \$30 late fee will be assessed to the child's account.

Terminations

Voluntary Termination

We have planned for your child to be enrolled with us for the full school year. When you've decided your child's last day of attendance please give the Center Director four weeks ADVANCE written notice. A Termination Form is available from the office. Prepaid tuition will not be refunded unless proper notice has been given. Tuition is charged through the end of the four-week period whether or not the child will be attending.

Involuntary Termination

Kama'aina Kids makes all reasonable efforts to help children and parents succeed in our program. However, when it's determined that this is not possible, Kama'aina Kids reserves the right to terminate enrollment. Whenever possible, the family will be given time to locate other child care services. This grace period will not be permitted however, at the expense of the safety of our staff or of the other children's care and safety.

Involuntary termination may occur as a result of:

Non-payment of tuition fee(s) when no other payment plan has been arranged with the Center Director and/or lack of adherence to the tuition policies stated in the Enrollment Contract.

Child's behavior is disruptive to normal functioning of the Center.

Child's behavior is detrimental to their safety and the safety of the staff and children enrolled.

Lack of parent cooperation in efforts to resolve differences and to receive outside advice and/or services to resolve behavioral conflicts.

Inability of Center to meet child's developmental needs, as determined by Kama'aina Kids staff.

Abusive behavior and/or verbal threats toward children, staff or other parents made by parents, guardians or any other adult who enters the grounds and /or participates in program activities.

Parent, guardian or any other adult who consistently fails to abide by the policies and procedures outlined in the Parent Handbook.

Readmittance

Anyone requesting Readmittance must submit a new registration form along with the current Registration Fee. All outstanding debts must be paid before re-entry may be considered.
