

## **Unit 81: Support Individuals at the End of Life**

**Unit code:** HSC 3048

**Unit reference number:** T/601/9495

**QCF level:** 3

**Credit value:** 7

**Guided learning hours:** 53

---

### **Unit summary**

This unit is aimed at those working in a wide range of settings. It provides the learner with the knowledge and skills required to support end of life care.

### **Assessment requirements**

This unit must be assessed in accordance with Skills for Care and Development's QCF Assessment Principles.

Learning outcomes 4, 7, 8, 9 and 10 must be assessed in a real work environment in ways that do not intrude on the care of an individual at the end of life.

### **Additional information**

**Legislation and agreed ways of working** will include policies and procedures where these apply, and may relate to:

- equality, diversity and discrimination
- data protection, recording, reporting, confidentiality and sharing information
- the making of wills and living wills
- dealing with personal property of deceased people
- removal of medical equipment from deceased people
- visitors
- safeguarding of vulnerable adults.

**Systems for advance care planning** may include:

- Gold Standard Framework
- Preferred Priorities for Care.

An **individual** is the person requiring end-of-life care.

**Key people** may include:

- family members
- friends
- others who are important to the wellbeing of the individual.

**Support organisations and specialist services** may include:

- nursing and care homes
- specialist palliative care services
- domiciliary, respite and day services
- funeral directors.

**Other members of the team** may include:

- line manager
- religious representatives
- specialist nurse
- occupational or other therapist
- social worker
- key people.

**Actions** may include:

- attending to the body of the deceased
- reporting the death through agreed channels
- informing key people.

**Agreed ways of working** will include policies and procedures where these exist.

### **Assessment methodology**

Learners can enter the types of evidence they are presenting for assessment and the submission date against each assessment criterion. Alternatively, centre documentation should be used to record this information.
