

# Teacher & Staff End of Year Thank You Gift Fund

Dear Parents & Guardians:

It's hard to believe the school year is almost over! The Home and School Association would like to help you show the staff of St. Elizabeth's how much we all appreciate them by organizing a joint end of the year gift. This gift fund thanks ALL the staff at St. Elizabeth's who take care of your child every day.

From the dedicated staff who makes sure our children come into clean classrooms and who are constantly setting up and breaking down the fun events we all enjoy to our tireless specials teachers who develop the creativity in all of our students and from the school staff that is always available to take our calls and answers our questions to our own classroom teachers, St. Elizabeth School staff ensures a nurturing and safe environment for our children for which we are all so grateful. We are truly blessed as a school community!

Please consider donating to the "Teacher & Staff End of Year Thank You Gift Fund":

- All of the money will be collected and divided equally amongst EACH staff member.
- Family names will be listed on the letter of appreciation along with the gift card.
- We recommend \$20 per child. However, any amount is appreciated.

Donations will be collected for the end of year gifts from now until Thursday, May 26, 2015.

Thank you so much for your support.

Sincerely,

The Home and School Association

-----  
Please return this slip of paper with your donation for the Teacher & Staff Thank You Fund.

Please send your contribution in a sealed envelope labeled "Thank You Fund, Attn: Mrs. Woo" with your family name on the outside envelope.
