

# Order Essential Immunization Resources from IAC

Immunization record cards for all: for children and teens, for adults, for a lifetime!

Immunization record cards give healthcare professionals a way to help patients maintain a permanent record of their vaccinations. Having one's own vaccination record is handy for patients when they enter daycare, kindergarten, or college; change healthcare providers; or travel abroad. ■ The Immunization Action Coalition offers three record cards: child and teen, adult, and lifetime. Each is designed for

a specific age group and lists all vaccines recommended for people in that age group. Sized to fit in a wallet, each is brightly colored to stand out and is printed on durable rip-, smudge-, and water-proof paper. ■ To order record cards or any of our other essential immunization resources, print out and mail or fax the form below, or place your order online at [www.immunize.org/shop](http://www.immunize.org/shop).
