**Out of marketing dollars??**

To increase your ROI and reduce costs of mailing, let us do the mailing for you! We will mail invitations to your database of customers/prospects, and we'll inkjet your company name and booth number on the mailing panel so the recipient knows who the invitation came from. Even better - we can customize an HTML e-mail invitation with your corporate logo and message. We provide these services at no cost, for more information please contact Bernice Alcantar at 630-271-8230 or via e-mail [ILCANTE@rocexhibitions.com](mailto:ILCANTE@rocexhibitions.com).
