

Policy: Letter of Intent to Apply for Promotion

Initiated: 4/1/2016

Overview

Faculty members intending to apply for promotion must notify the college prior to initiating the process for preparing and submitting the dossier for review. Submitting a Letter of Intent will ensure that sufficient time and notice is provided at each step of the process thus providing ample opportunity for a fair and thorough review of the application. This policy applies to the following:

- Promotion to Associate Professor or Professor in non-tenure track title series (Research Title and Clinical Title)
- Promotion to Full Professor in a tenure track title series (Regular Title and Special Title)
- Promotion to Senior Lecturer

NOTE: This process is NOT intended for faculty in tenure track title series positions planning to participate in the typical comprehensive tenure and promotion review scheduled during the end of the next-to-last year of the probationary period (typically the 6th year) or who are requesting consideration during the terminal contract year (typically the 7th year) or prior to the 6th year. These faculty will work closely with the Chair in accordance with the relevant administrative regulations (<http://www.uky.edu/regs/files/ar/ar2-1-1.pdf>).

Process

1. The faculty member considering promotion should first consult with their Department Chair for input and guidance. Department level evidences for appointment, promotion, and tenure should be consulted as part of the discussion. These are found at: <http://www.uky.edu/healthsciences/about-us/administration/office-academic-and-faculty-affairs>
2. The faculty member completes the Letter of Intent, obtains Chair's signature, and forwards the completed letter to the Faculty Administrator. This completed letter must be submitted electronically no later than August 22, 2016.
3. Once the Letter of Intent has been received, the Faculty Administrator will provide a promotion timeline to the faculty member and Chair, and necessary individuals will be notified.
4. The timeline for dossier submission will be consistent with those provided in the annual Provost's memo regarding appointment, reappointment, promotion and tenure and with timelines established by the College.
