## **Employee General Instructions**

**Form CT-W4**, *Employee's Withholding Certificate*, provides your employer with the necessary information to withhold the correct amount of Connecticut income tax from your wages to ensure that you will not be underwithheld or overwithheld.

You are required to pay Connecticut income tax as income is earned or received during the year. You should complete a new Form CT-W4 at least once a year or if your tax situation changes.

If your circumstances change, such as you receive a bonus or your filing status changes, you must furnish your employer with a new Form CT-W4 within ten days of the change.

#### **Gross Income**

For Form CT-W4 purposes, *gross income* means all income from all sources, whether received in the form of money, goods, property, or services, not exempt from federal income tax, and includes any additions to income from *Schedule 1* of **Form CT-1040**, *Connecticut Resident Income Tax Return* or **Form CT-1040NR/PY**, *Connecticut Nonresident and Part-Year Resident Return*.

#### **Filing Status**

Generally, the filing status you expect to report on your Connecticut income tax return is the same as the filing status you expect to report on your federal income tax return. However, special rules apply to married individuals who file a joint federal return but have a different residency status. Nonresidents and part-year residents should see the instructions to Form CT-1040NR/PY.

#### **Check Your Withholding**

You may be underwithheld if any of the following apply:

- You have more than one job;
- You qualify under Certain Married Individuals and do not use the Supplemental Table on Page 3 and Page 4; or
- You have substantial nonwage income.

If you are underwithheld, you should consider adjusting your withholding or making estimated payments using **Form CT-1040ES**, *Estimated Connecticut Income Tax Payment Coupon for Individuals*. You may also select *Withholding Code* "D" to elect the highest level of withholding.

If you owe \$1,000 or more in Connecticut income tax over and above what has been withheld from your income for the prior taxable year, you may be subject to interest on the underpayment at the rate of 1% per month or fraction of a month.

To help determine if your withholding is correct, see **Informational Publication 2017(7)**, *Is My Connecticut Withholding Correct?* 

# Nonresident Employees Working Partly Within and Partly Outside of Connecticut

If you work partly within and partly outside of Connecticut for the same employer, you should also complete **Form CT-W4NA**, *Employee's Withholding or Exemption Certificate - Nonresident Apportionment*, and provide it to your employer. The information on Form CT-W4NA and Form CT-W4 will help your employer determine how much to withhold from your wages for services performed within Connecticut. To obtain Form CT-W4NA, visit the Department of Revenue Services (DRS) website at **www.ct.gov/DRS** or request the form from your employer. Any nonresident who expects to have no Connecticut income tax liability should choose *Withholding Code* "E."

#### **Certain Married Individuals**

If you are a married individual filing jointly and you and your spouse both select *Withholding Code* "A," you may have too much or too little Connecticut income tax withheld from your pay. This is because the phase-out of the personal exemption and credit is based on your combined incomes. The withholding tables cannot reflect your exact withholding requirement without considering the income of your spouse. To minimize this problem, use the *Supplemental Table* on Page 3 and Page 4 to adjust your withholding. You are not required to use this table. **Do not** use the supplemental table to adjust your withholding if you use the worksheet in IP 2017(7).

#### **Armed Forces Personnel and Veterans**

If you are a Connecticut resident, your armed forces pay is subject to Connecticut income tax withholding unless you qualify as a nonresident for Connecticut income tax purposes. If you qualify as a nonresident, you may request that no Connecticut income tax be withheld from your armed forces pay by entering *Withholding Code* "E" on Line 1.

#### Military Spouses Residency Relief Act (MSRRA)

If you are claiming an exemption from Connecticut income tax under the MSRRA, you must provide your employer with a copy of your military spouse's Leave and Earnings Statement (LES) and a copy of your military dependent ID card.

See **Informational Publication 2015(24)**, Connecticut Income Tax Information for Armed Forces Personnel and Veterans.

### **Employer Instructions**

For any employee who does not complete Form CT-W4, you are required to withhold at the highest marginal rate of 6.99% without allowance for exemption. You are required to keep Form CT-W4 in your files for each employee. See **Informational Publication 2017(1)**, *Connecticut Employer's Tax Guide, Circular CT*, for complete instructions.

# Report Certain Employees Claiming Exemption From Withholding to DRS

Employers are required to file copies of Form CT-W4 with DRS for certain employees claiming "E" (no withholding is necessary). See IP 2017(1). Mail copies of Forms CT-W4 meeting the conditions listed in IP 2017(1) under *Reporting Certain Employees to:* 

Department of Reveunue Services PO Box 2931 Hartford CT 06104-2931
