

Third Laguna Hills Mutual

LEASING INFORMATION FOR LESSORS – CONDOS

Revised as of January 2016

The Third Laguna Hills Mutual Bylaws permit Members to lease their manors to a third party, with the right to use the community facilities transferred from the landlord to the tenant. (Article 3, Section 3.2 and 3.3). There are restrictions for occupancy in Third Mutual and the role of the community's leasing assistant is to ensure that there is compliance to the governing rules prior to the Corporation issuing a permit for the Owner to lease the manor. A "Manor" is a residential unit in one of the housing mutual corporations. Manor leases may not be shorter than 2 months.

OWNER IDENTIFICATION CARDS

Resident ID cards are collected from Owners when they execute a Waiver and Consent form giving up their right to use community facilities. Upon surrender of the card, the Owner is given a Non-resident Owner's Pass that provides the Owner access to the community for the purpose of inspecting the leased premises. This pass does not permit use of or access to the community facilities.

BOARD OF DIRECTORS APPROVAL

Once a complete Application for Permit to Lease Premises is received by the leasing assistant, it is submitted to the Board of Directors for approval. Lessee ID cards are not issued until all paperwork is received and the Board of Directors has approved the application.

Please allow **SEVEN WORKING DAYS** from date of submittal of completed, executed documents for obtaining Board approval. Two copies of the Permit will be mailed to the Lessor or his agent following Board approval. The Owner is responsible for providing a copy of the approved Permit to the Lessee.

The following information is required in order to process the Application for Permit to Lease Premises:

1. Fully completed documents in the attached packet
2. Check for \$160.00 made payable to the Golden Rain Foundation (or GRF)
3. Owner's Resident ID card
4. Proof of age/identity (copy of driver's license, birth certificate, or passport) for each Lessee

Lessee ID cards will be available no sooner than 7 days prior to the lease start date and only after the Board has approved the application. A Waiver of Liability form must be executed by the Lessor and Lessee if the Lessee requires access to the community prior to the lease start date.

LEASE PERMIT FEES

Lease Permit Processing Fee (Third Mutual)	\$160.00
Lease Permit Extension	\$ 60.00
Lessee ID Card Renewal Fee	\$ 10.00
Third Party Monthly Fee	\$ 49.00
(Total amount due in advance)	

Additional fees may be applicable; these may include, but are not limited to, a \$25 charge for non-return of lessee ID cards.

OWNER RESPONSIBILITY

Village Management Services, Inc. ("VMS"), agent for the Third Mutual Board of Directors assumes responsibility for obtaining Mutual Board approval and issuing Lessee ID Cards. Payment for chargeable repair services is the responsibility of the Lessor who must indicate on Authorization for Maintenance Services Work form enclosed whether Lessee may request such services. Neither the Mutual, GRF nor VMS are parties to the terms of the lease, and will not be involved in resolving disputes between Lessor and Lessee. All commissions payable to a Realtor, and notification to the Realtor upon renewal or extension of a lease are solely the Owner's obligation. At the end of the lease period, the Owner is obligated to return all gate entry passes including ID cards, automobile decals, guest passes, and care provider passes or will be assessed a fee.

A consent to one assignment, subletting, occupation or use by any other person shall not be deemed to be a consent to any subsequent assignment, subletting, occupation or use by any other person. Any such assignment or subletting without such consent shall be void and, at the option of Mutual and/or Lessor, shall constitute a breach of the Permit. The interest of Lessee in a Permit shall not be assignable by operation of law without written consent of the Mutual.

9. ALTERATIONS, REPAIRS AND MAINTENANCE

Lessee(s) understand that the manor shall not be altered, repaired or changed without prior written consent of Lessor and Mutual. Unless otherwise provided by written agreement, all alterations, improvements and changes that may be required shall be done either by or under the direction of Mutual; shall be the property of Lessor; and shall remain upon and be surrendered with the Manor. Lessee shall hold Lessor, the Mutual, GRF, and VMS harmless from any liability on account of any damage or injury to person or personal property arising from the use of the manor by Lessee arising from the failure of Lessee to keep the manor in good condition as provided herein or failure to perform or observe any of Lessee's obligations under this Permit. Neither Lessor, the Mutual, GRF, nor VMS shall be liable to Lessee for any damage caused by any act or negligence of any other occupant of the same building or by any owner or occupant of adjoining or contiguous property. Lessee shall pay for all damages to the manor and to the building in which the manor is located, as well as all damage to other occupants thereof caused by Lessee's misuse or neglect of the premises, equipment, apparatus or appurtenances. 14. MUTUAL'S RIGHTS AND REMEDIES

In the event of any breach of this Permit by Lessee, Mutual shall have the same rights and remedies to enforce this Permit as are available to Lessor hereunder and may be exercised by Mutual without regard to any exercise thereof by Lessor and without liability either to Lessor or Lessee arising out of or relating to the exercise of such rights and remedies by Mutual. Additionally, the Mutual shall have the same rights to dispossess the Lessee or otherwise act for the Lessor as may be necessary or appropriate in the event of any breach of the Permit or the Lessee's failure to vacate following expiration of the Permit term. The Mutual shall also have the right to bring an unlawful detainer action against the Lessee after proper notice has been given as provided in California Civil Code Section 1946 or any successor statute thereto.

15. TIME IS ESSENCE; WAIVER

Time is of the essence under this Permit. The waiver by Lessor, Mutual or either of them, of any breach of any term, covenant or condition of this Permit shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of same of any other rent shall not be construed to be a waiver of any breach by Lessee of any term, covenant or condition of this Permit. The remedies given herein to Lessor and to Corporation shall be cumulative and the exercise of any one remedy by Lessor or by the Mutual shall not prohibit exercise of any other remedy available.

16. SUBORDINATION

This Permit is subject and subordinate to the Governing Documents and to any and all covenants, conditions, restrictions, underlying leases, mortgages or deeds of trust which may now affect the real property of which the premises form a part or the underlying leases, and to all renewals, modifications, consolidations, replacements and extensions thereof. SUBJECT: DISCLOSURE NOTICE: LAGUNA WOODS VILLAGE BUILDINGS CONSTRUCTED WITH ASBESTOS-CONTAINING CONSTRUCTION MATERIALS

Health & Safety Code 25915.2 and 25915.5 require the Mutual to provide annual notice about the existence of asbestos-containing materials ("ACM") in non-residential "public" buildings in the Mutual to all employees and contractors performing work within said buildings and to all Members of the Mutual.

In addition, the Mutual is required to disclose to new owners, within 15 days of acquiring title to a Manor, the existence of asbestos-containing material in non-residential "public" buildings within the Mutual.

The Managing Agent for the Associations which own or manage the buildings at Laguna Woods Village, Laguna Woods for their Members, hereby notifies all its Employees, Contractors and all Mutual Members and Transferees, that some buildings within Laguna Woods Village have been surveyed and found to contain asbestos. The analytical method used to determine asbestos content was polarized light microscopy/dispersion staining. Since the community has an active Asbestos Operations and Maintenance program, testing is ongoing. Because of the high cost to conduct a complete asbestos survey and analysis of all buildings, surveys are conducted only upon repair, remodel, addition to or removal of a building or part of a building suspected to contain asbestos materials, as required by Labor Codes. The Certificates of Analysis for any testing received to date are available to Employees, Contractors, Owners and Tenants and Transferees for review and photocopying from the Laguna Woods Village Human Resources/Safety Office, 24351 El Toro Road, Laguna Woods, CA, between 9:00 a.m. and 5:00 p.m., Monday through Friday.

The following buildings in Laguna Woods Village, Laguna Woods were constructed prior to 1979 and thus may contain asbestos in one or more construction materials: All community facilities buildings (with the exception of Clubhouse Seven, the Mini-Gym at Clubhouse One, the Broadband Services Bldg., the Laguna Woods Village Community Center Bldg., the Vehicle Maintenance Bldg., and a portion of the Warehouse -- all constructed after 1979), including Clubhouses and outbuildings, Library, Maintenance Warehouse Bldg., Stables, Gatehouses, Garden Center buildings, all detached laundry buildings, and residential buildings Nos.1 through 5543 inclusive.

At the time most of the buildings in Laguna Woods Village were constructed, asbestos-containing materials met local codes as well as state and federal regulations and were extensively used in *many* building products including but not limited to: ceiling tile, floor tile/linoleum and mastic, textured wall surfaces, sprayed acoustical ceilings, fire doors, structural fireproofing, pipe/boiler insulation, attic insulation, and heating duct material/insulation.

According to the National Cancer Institute and the Environmental Protection Agency, any asbestos in these materials does not present a threat to health so long as the asbestos is not disturbed and does not become airborne.

However, because breathing asbestos has been known in some instances to cause cancer and other forms of lung disease, sanding, scraping, drilling, sawing, crushing, tearing/breaking up, or otherwise disturbing asbestos-containing materials presents a potential health risk. Therefore, you are directed not to perform such tasks in areas with ACM present or suspected unless the area/materials have been tested and found not to contain asbestos or if specifically assigned or contracted to do such work and it is in accordance with all federal, state, and local laws as well as internal guidelines called for in the Asbestos Operations and Maintenance plan and other company safety and environmental policies and procedures.

Managing Agent employees whose work orders require them to construct, repair, maintain or otherwise disturb construction materials that may contain asbestos are hereby directed to follow the current regulations and policies noted above and to wear the required protective equipment, prior to performing such work. Questions concerning instructions and equipment should be directed to the HR/Safety Supervisor at (949) 597-4321.

It is illegal to place asbestos materials or debris in Laguna Woods Village trash dumpsters. Such materials must be disposed of separately in accordance with State and County regulations to avoid fines. Contact the HR/Safety Supervisor at (949) 597-4321 for details.

If you become aware of any asbestos-containing material becoming damaged or otherwise disturbed, please contact Laguna Woods Village Customer Service at (949) 597-4600, or the HR/Safety Supervisor at (949) 597-4321.
