

# Powerline Setback Declaration of Applicant

## Pursuant to Clause 2A(1) of Schedule 5, Development Regulations 2008

Note 1: This declaration is only relevant to those development applications seeking authorisation for a form of development that involves the construction of a building (refer to definition of "building", Section 4(1) of the *Development Act 1993*).

Note 2: The requirements of Section 86 of the *Electricity Act 1996* do not apply in relation to:

(a) a fence that is less than 2m in height; or

(b) a service line installed specifically to supply electricity to the buildings or structure by the operator of the transmission or distribution network from which the electricity is being supplied.

Note 3: A *Building Safely Near Powerlines* brochure has been prepared by the Technical Regulator to assist applicants and other interested persons. This brochure is available from Councils and the Office of the Technical Regulator or at [www.technicalregulator.sa.gov.au](http://www.technicalregulator.sa.gov.au).
