The Cruise Itinerary

Belize City, Belize

With miles of lush tropical rain forest, a gorgeous Caribbean coastline and the longest barrier reef in the Western Hemisphere, it doesn't take long to realize why Belize City is known as "The Jewel." Located between Mexico and Guatemala, Belize possesses a unique combination of

modernity and rustic Caribbean charm. Ancient ruins indicate that Belize was first inhabited by the Mayans in 300 B.C. This Indian heritage, combined with a rich European history, creates a destination full of charm and wonder for all to discover.

Cozumel, Mexico

The Conquistadors first saw Mexico from the shores of Cozumel while searching for gold. Today, visitors to the island continue to seek out gold and silver jewelry in the shops of San Miguel while having a great time in its many local restaurants. Plus, the waters around Cozumel's sheltered coral reefs make this one of the best snorkeling areas in the world.
