TIES TO THE LAND: Take steps to guide the future of your land SUCCESSION PLANNING WORKSHOP FOR LANDOWNERS

If you own and care for woodland, the fate of your land is probably important to you. You hope that future generations will benefit from your efforts. **But hope is not a plan.** Preserving your legacy requires planning, and that involves more than just having a will or an estate plan.

This workshop is a mix of presentation and practical exercises that will give you the knowledge and tools to start succession planning. You will:

- Clarify your values and goals
- Learn the steps to successful planning
- Get tools to support your planning
- Learn about legal options that can support your plan

This 6-hour workshop will be offered on three different dates at three different locations. **Please select the one that you wish to attend.**

When: Saturday, April 25 at Capitol Plaza, Montpelier
 Saturday, May 9 at Franklin Conference Center, Rutland
 Tuesday, June 2 at Lake Morey Inn, Fairlee

Time: 9am to 3:00pm (Registration begins at 8:30am)

Cost: \$35. Each additional family member \$20

The fee includes morning coffee and lunch; plus one copy per family of Ties to the Land succession planning workbook and planning binder with worksheets.
