## Personal Data Protection Act (PDPA)

### Privacy

The SIF is committed to ensuring that personal information is protected and managed in accordance with Singapore laws, international good practice and individuals' rights. We collect and use personal information in order to help us offer individuals appropriate information on our programmes and initiatives.

### Data Protection Policy

The Personal Data Protection Act (PDPA) establishes a data protection law that governs the collection, use, disclosure and care of personal data.

SIF recognises that the privacy of your personal data is important to you. SIF is committed to treat all personal data with due confidentiality, in accordance with the relevant data protection laws of Singapore. SIF's Data Protection Policy aims to help you understand how we collect, use, share and protect your personal data.

### Personal Data

In this Data Protection Policy, "Personal Data" refers to any data, whether true or not, about an individual who can be identified (a) from that data; or (b) from that data and other information to which we have or are likely to have access, including data in our records as may be updated from time to time.

### Collection, Usage and Disclosure of Personal Data

When asking for your personal information, the SIF is committed to the following:

- explaining why we need personal information and only asking for the information we need
- protecting the information we are given and making sure that only those who need access are able to do so
- only sharing the information within the SIF and with other organisations where such sharing is necessary or where we have the individual's consent.

### Collection

SIF collects your personal data in the following ways:

1. When you sign in on our websites
2. When you subscribe to our newsletters or magazine
3. When you participate in our marketing campaigns
4. When you register for our events or programmes
5. When you submit your resume for job applications
6. When you contact us to share your stories
7. When you provide us with your name cards at events, campaigns and meetings

## CONFIDENTIAL

SIF may use your information for the following purposes:

1. To contact you for programmes which you have signed up for
2. To inform you about programme updates
3. To respond to enquiries pertaining to our programmes
4. To respond to your job application
5. To send local magazine which you have subscribed to

SIF may use your photographs for publicity purposes during our events.

We will not use your personal data for purposes other than what we have informed you or which are permitted under local laws and regulations.

We will not offer or share your personal data with third parties outside of Singapore International Foundation for commercial purposes, without seeking your consent.

We will not disclose your personal data to third parties unless requested by relevant government or law enforcement agencies to comply with any laws, rules, guidelines and regulations or schemes imposed by any governmental authority.

### Disclosure

We may disclose your data to third parties in order to facilitate our programmes and initiatives. We would work closely with such third parties, and adopt appropriate security measures in collaboration with them to ensure that your information remains secure and confidential.

SIF may disclose your information for the following purposes:

If you have signed up with SIF in our programmes, we may share your information with:

1. Travel agencies\Airlines for flight booking purposes
2. Hotels for room reservation purposes
3. Insurance companies for insurance coverage
4. Government agencies which require security clearance
5. Partners assisting SIF with logistics and programme facilitation
6. Clinics/Hospitals for medical assessment

We may also share information with government agencies or other companies assisting us in fraud prevention or investigation. We may do so when: (1) permitted or required by law; or, (2) trying to protect against or prevent actual or potential fraud or unauthorized transactions; or, (3) investigating fraud which has already taken place.

### Protection

To safeguard your personal data, all electronic storage and transmission of personal data are protected with security technologies.
