

MOCK LINE STRIKE

MOCK LINE STRIKE

2017

OKIE811 Safety Days

Who We Are:

OKIE811 and the Damage Prevention Councils (DPC's) would like to invite you to participate in the 2017 OKIE811 Safety Days. OKIE811 and each DPC is coordinating a pipeline safety awareness event that offers Excavators and Contractors an opportunity to see and hear a profound experience emphasizing proper use of the 811 notification system, safe excavation practices, and response actions to take in the event of a pipeline rupture.

The [Mock Line Strike](#) demonstration involves a pipeline rupture scenario including the consequences of unsafe digging. Industry professionals will be deploying the demonstration. Observers will have the opportunity to hear, witness the rupture and feel the rush of arriving emergency responders. Following the mock line strike, the participants & audience will debrief by engaging in discussion on the lessons learned.

OKIE811 & DPC's have coordinated these Safety Day's to include:

- A mock line strike demonstration emphasizing proper use of the 811 notification system, safe excavation practices, and response actions to take in the event of a pipeline rupture
- Large equipment demonstrations
- How to prepare for a natural disaster
- Lunch, giveaways, industry networking
- Other items TBD

Safety Day Exhibitor & Sponsorship Benefits:

- Gain access to participating pipeline operators, excavators, contractors and other attendees
- Directly supporting the damage prevention outreach efforts in Oklahoma
- Network with other industry stakeholders in promoting safe excavation

Pipeline Operator Documentation Benefits:

- Everything above, plus baseline excavator and contractor Public Awareness Program documentation (for Pipeline Operators):
 - Invitation and attendee reporting
 - Sign-in sheets
 - Presentation documents/ handouts – all are message mapped with required messaging

Please complete the enclosed order form if your company is interested in exhibiting, sponsoring and securing baseline documentation for any or all of these regional Safety Day programs. We will confirm actual locations and dates in 2017. You will be billed for the committed amount in 2017.
